

## INTRODUCING **THE EVERYDROP™ WATER DISPENSER**

The EveryDrop water dispenser magnetically attaches to top- or bottom-mount refrigerators. This dispenser removes lead and 28 contaminants\* from your family's drinking water. Plus, just one EveryDrop™ filter replaces 1,500 plastic water bottles\*\*, making this dispenser the obvious choice for customers looking to upgrade their refrigerator — without buying a new one.

## EASY INSTALL

Magnetically mounts to the  
**FRONT OR SIDE**  
of the refrigerator

\*Based on NSF rating flowing at 0.5-.055 gpm.

\*\*16.9 oz

# NO BOTTLES. NO PITCHERS. JUST FILTERED WATER.

Reduces **WATER  
CONTAMINANTS**

**REDUCES**  
lead

Easy **INSTALL**

**1 FILTER = 1500**  
water bottles\*\*

**MAGNETICALLY  
MOUNTS** to your fridge

No pitcher means  
**MORE SHELF SPACE**

The **EveryDrop™**  
**Dispenser** uses  
**EveryDrop™**  
**Refrigerator**  
**Filter 1** (included).

**REPLACE EVERY:**

(200 gal/757 L)  
Contaminant reduction  
declines after **200 gallons.**

\*Based on NSF rating flowing at 0.5-.055 gpm.

\*\*16.9 oz
