How often are you removing stains? "

THIS MODEL OFFERS:

Extra Power Button

TOP FEATURES

EXTRA POWER BUTTON

The Extra Power button boosts stain-fighting performance.

SMART CAPABLE APPLIANCE

Manage laundry from anywhere with optional smart features..

POWER™ AGITATOR

The Power™ agitator drives robust wash action into any load size.

DID YOU KNOW?

If a stain doesn't come out the first time, avoid moving it to the dryer since dry heat can bake a stain into the fabric. Instead, launder according to the fabric care instructions, using the warmest setting safe for the fabric. (1).

DEMO

Press the Extra Power button and explain that using the Extra Power button will add a ten minute prewash using a dual-temperature wash to get them the Most Powerful Cleaning in its Class driven by the Heavy Duty cycle. Go to LearnWhirlpool.com, click on "Demos" and play the "Stain Fighter" demo to better understand which stains need hot water and which need cold.
