1

POWERWASH® CYCLE

A combination of extra cleaning action and heated water to remove stains delivers Best Cleaning in its class driven by the PowerWash® cycle.*

2

MOVES MOUNTAINS OF LAUNDRY

The largest capacity agitator washer available at 5.2 cu. ft.** makes quick work of multiple loads.

3

MORE WATER WHEN YOU WANT IT

Add extra water for a maximum fill to help break up and rinse away everyday tough messes with the Deep Fill option.

*Based on 18-lb load, among leading top load brands, 5.0–5.4 cu. ft. capacity agitator washers, PowerWash® cycle vs. comparable cycles and default settings.

**Among leading brands. †Visit maytag.com for warranty details..

LAUNDRY

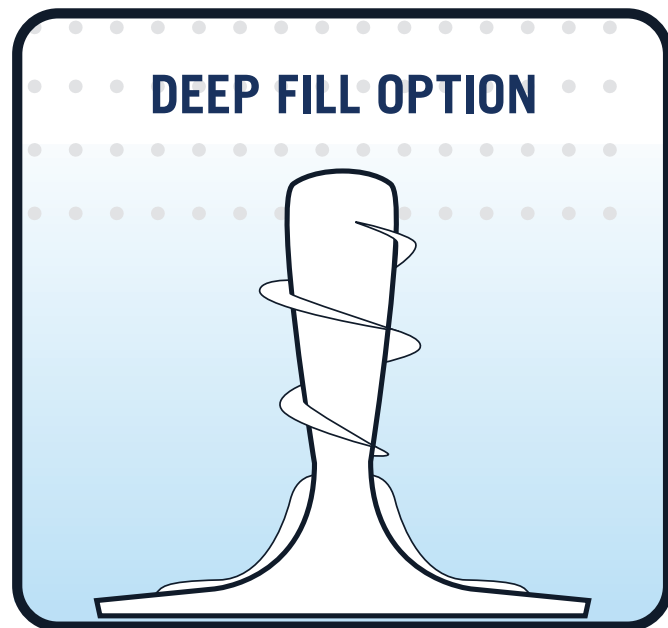

DID YOU KNOW?

The stainless steel wash basket wicks moisture away from clothes and is tough enough to resist wear and tear for years to come.

DEMO

To show & sell the Deep Fill option, use a tape measure to show customers the water level they get when selecting it. You can also point to just below the agitator cap. Explain how this option helps break up and rinse away everyday tough messes.
