### LED Task Lighting

**ASK:** What type of lighting options are you looking for in a new hood?

**SHARE:** Bright, long-lasting LED task lighting makes it easy to see what you're cooking.

### 3-speed, 400 CFM fan

**ASK:** What types of foods do you cook on your cooktop?

**SHARE:** Three fan speeds provide the right amount of ventilation for every meal you prepare.

### Match The Hood to the Customer's Kitchen

**ASK:** Which hood style do you prefer?

**SHARE:** Whirlpool Brand offers 3 different hood styles with similar features. Now you can have the features you want with the style that complements your kitchen.
