## AMANA ELECTRIC COOKTOP

Model No. ACC6340KFW | 30" Electric Cooktop

### 2,600 WATTS

**ASK:** What types of food do you typically cook on your cooktop?

**SHARE:** Now dinner's a one and done deal. 4 elements with up to 2,600 watts to help you fry, boil, simmer and melt all your dishes at the same time.

### DISHWASHER-SAFE KNOBS AND CHROME DRIP PAN

**ASK:** What do you use to clean your cooktop?

**SHARE:** Put away the sponge. These dishwasher-safe knobs let the dishwasher do the dirty work. This cooktop will help catch spills with this easy-to-clean chrome drip pan.

### INSTALLS OVER A BUILT-IN OVEN

**ASK:** Where is your cooktop located in your kitchen?

**SHARE:** Complement the style of your built-in oven with this easy-to-install cooktop. Amana offers both 27 inch and 30 inch single wall ovens to match this cooktop.
