AMANA GAS COOKTOP

Model No. **AGC6356KF** | 36" Gas Cooktop

12,500 BTUs

ASK: What types of food do you typically cook on your cooktop?

SHARE: Make the whole menu and more. This model features 5 burners with up to 12,500 BTUs to help you fry, boil, simmer and melt extra favorites at the same time.

DISHWASHER-SAFE GRATES AND KNOBS

ASK: What do you use to clean your cooktop?

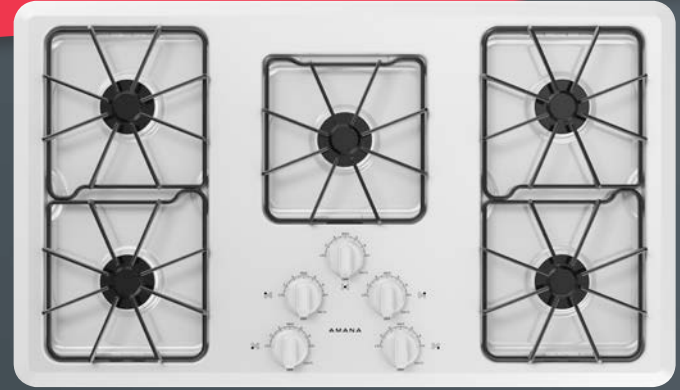

SHARE: Put away the sponge. These dishwasher-safe grates and knobs let the dishwasher do the dirty work.

FRONT CONTROLS

ASK: Where are the controls located on your current cooktop?

SHARE: Front Controls are easily accessible and allow you to easily adjust the amount of heat needed to cook your meal.
