Start the Conversation

Do you currently have an under cabinet hood or wish your over-the-range microwave took up less space?

Whirlpool brand helps you care for your family with features like

LOW PROFILE DESIGN

Top 3 Features

LOW PROFILE DESIGN

Maximize space by moving the microwave off the counter top with the **industry first** Low Profile Microwave Hood Combination[†] that fits in the same space as an under cabinet hood.^{**}

PURPOSEFUL CAPACITY

Fit tall glasses, wide plates and big bowls in this **1.1 cu. ft. microwave** that still has enough room for all the essentials.

HIGH PERFORMANCE VENTING

Keep the kitchen smelling like home with **high performance venting** that quickly removes smoke, odor and moisture with a 4-speed, 400 CFM motor class[†] vent fan.

DID YOU KNOW?

Over-the-range microwaves need a minimum of 30" of space between the cooktop and the top of the microwave to be properly installed. This model only needs 24" between the cooktop and the top of the microwave because it fits where a hood can fit. This means customers can easily replace an under cabinet hood with this microwave.

^{**}Based on 24" minimum install for under cabinet hoods and Low Profile Microwave Hood Combination.
[†]Performance varies based on installation.
^{*}Based on 10.3" height.

DEMO

Show customers how they can save space in their kitchen with the **low profile microwave hood combination** that still has enough room for all of the essentials.

Use a popcorn bag, steam tray, or casserole dish to demonstrate the purposeful capacity of this sleek design.

STEP UP TO MODEL **820526RB**

Step up by adding the steam accessory to this sale. The steam accessory allows the customer to use the steam setting available on this MHC to quickly and easily steam foods like rice, vegetables and fish right in the microwave. Steam accessory available separately.
