DID YOU KNOW?

Now that detergent is concentrated, it's easy to use too much if you don't measure it. This can also waste water, because a surplus of suds can cause the washer to extend the rinse cycle(1).

DEMO

Go to LearnWhirlpool.com, click on "Video Center", search for "How the Load and Go® option works - Whirlpool® Laundry" in the search bar. Learn about how Load & Go saves both time and money to make sure you're not using too much detergent.
