# Qualify your customers for Air Fry Mode

**ASK**

**Are you looking for a healthier way to cook meals for your family by using little to no oil?**

**TELL**

Giving you the flexibility of a microwave and air fryer in one appliance to free up counter space. You can air fry chicken nuggets, wings, fries and more to get crispy results at home

**DEMO**

Remove the included Air Fry Basket from the microwave demonstrating how the hot air circulates around the air fry basket. Then show customers how easy it is to place inside their microwave.

# Qualify your customers for Grill Mode

ASK

What type of foods do you typically grill?

TELL

Grill meat and vegetables in your microwave with Grill Mode. The Air Fry Basket allows direct heat to sear the outside of your food, creating a nice crust and flavor.

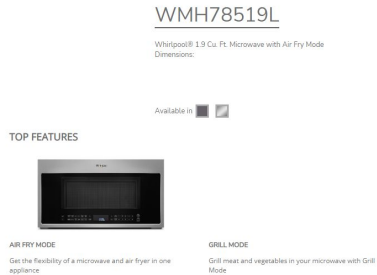

DEMO

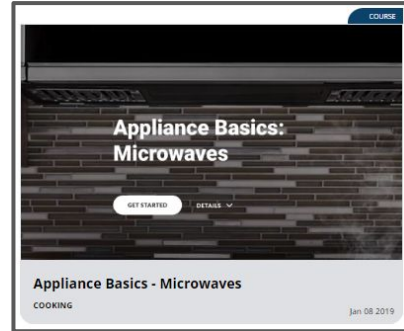

Remove the included Air Fry Basket from the microwave and speak to the Grill Mode function on the microwave. Then show customers how easy it is to place inside their microwave.
