Every meal you cook, every dish you wash, every shirt you clean—that’s caring. And every act of care you give, day in and day out, helps the people you love become people who love. That’s why at Whirlpool, we believe that helping you care for the ones you love is the most important thing we can do.
As the #1 selling appliance brand in the U.S.A., Whirlpool brand is not only committed to making quality appliances, but to creating environments where every family can thrive. And we continue to stand behind the people in our own backyard and beyond with nationwide initiatives like the Care Counts™ laundry program.

HELPING STUDENTS THRIVE

Access to clean clothes is one barrier to school attendance and, ultimately, a student’s education. To address this complex issue and help reduce excessive absenteeism, Whirlpool brand began installing washers and dryers in select U.S. schools in 2016.

Based on the initial success, Whirlpool brand is now expanding the Care Counts™ laundry program into additional school districts to bring the power of care to even more students.

The 2016 Care Counts™ laundry program tracked laundry usage, learning that each participant received nearly 50 loads of clean clothes during the school year.

86% of participants improved attendance

To date, we’ve installed washers and dryers in 68 schools across the nation. Attendance improved for 86% of participants designated as high-risk students, and chronic absenteeism dropped by 43%.

With 90% of students utilizing the program being more actively engaged in their studies, over 1,200 schools have requested the Care Counts™ laundry program.

**Students missing 15 or more days during the school year or an average of 1.5 absences per month.**

*Based on 12-month average of unit sales, Refrigeration, Cooking, Dishwashers and Laundry appliances, TraQline 2017.
We’re inspired by the day-in, day-out sacrifices every family makes to keep up with each other’s needs. That’s why we’ve introduced appliance technology that anticipates what comes next and adapts when things change—just like a busy family.

At Whirlpool brand, our approach to innovation goes beyond a WiFi connection with features that eliminate steps, improve performance and fit family life at every turn.

REMOTE CONNECTIVITY
Preheat the oven, download the right cycle for a load of dishes or start the dryer right from a mobile device with remote connectivity.††

VOICE CONTROL WITH A COMPATIBLE VOICE-ENABLED DEVICE™
Customers can control their appliances no matter what they’ve got on their hands with simple voice commands using the Google Assistant or an Alexa-enabled device.††

YUMMLY® GUIDED COOKING™
Make meal prep easier with extra assistance from the Yummly® app which includes prompts that send cooking instructions straight to Whirlpool® smart cooking appliances at the right times.†

CARE SMARTER
with the #1 selling appliance brand in the U.S.A.*

AN EVOLUTION IN KITCHEN STYLE

We’re bringing more than just innovative technology to our purposeful appliances. Subtle differences—like the look and feel of hardware—can make a big impact. That’s why we’ve created distinct and approachable styles to choose from with expanded color, finish, handle and knob options.

WHIRLPOOL CONTEMPORARY HANDLE & BARREL KNOBS

Contemporary handles and barrel knobs achieve clean lines and complement modern tableware and drawer pulls.

Models with these features are available in the following colors:
- Fingerprint-Resistant Stainless Steel
- Fingerprint-Resistant Black Stainless Steel
- Fingerprint-Resistant Metallic Steel

WHIRLPOOL HANDLE & BLADED KNOBS

Curved handles and approachable bladed knobs maintain design continuity and add sophisticated visual interest.

Models with these features are available in the following colors:
- White
- Black
- Monochromatic Stainless Steel
- Fingerprint-Resistant Stainless Steel
- Fingerprint-Resistant Black Stainless Steel
- Fingerprint-Resistant Metallic Steel

Fingerprint-Resistant Stainless Steel elevates the kitchen with a rich, matte look to seamlessly fit in or boldly stand out.
MAKING THINGS EASIER

That’s caring—and why we designed our laundry appliances with features that give clothes the right kind of care in fewer steps.
**FRONT LOAD LAUNDRY FEATURES**

**NOTE:** Not all features available on all models.

*Based on an 8-lb load. **Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.

†Wash & Dry an 8-lb load in less than 6 hours 15 minutes, Regular/Normal cycle.

**SKIP ADDING DETERGENT & FABRIC SOFTENER TO EVERY LOAD**
Simply add detergent and fabric softener once to the Load & Go™ XL Plus dispenser and skip refills for 40 loads.* You’ll even get notifications when it’s time to refill.*

**WASH & DRY AN ENTIRE LOAD IN THE WASHER†**
The Wash and Dry option keeps laundry moving for you by activating a built-in heater and fan when the wash cycle ends, so you don’t always have to move clothes to the dryer.

**HELP PREVENT OVERDRYING**
Advanced Moisture Sensing uses three sensors to track moisture and temperature, adapting drying times to end the cycle at just the right time.

**CREATE CUSTOMIZED CYCLES IN A FEW TOUCHES**
Intuitive Controls guide you to the right cycle combinations or let you customize your own to get the right type of fabric care.

PREWASH CLOTHES IN THE WASHER
Easily prewash clothes and other items right in the washer with a built-in water faucet that gives you easy access to an instant stream of water to remove loose soils.

CUSTOMIZED CYCLES FOR ANY MESS
Intuitive Controls guide you to the right cycle combinations or help you create up to 26 cycles of your own to get the right type of fabric care for whatever you’re washing.

HELP PREVENT OVERDRIYING
Advanced Moisture Sensing and the AccuDry™ sensor drying system use sensors to track moisture and temperature levels, adapting drying times to end the cycle at just the right time.

KEEP CLOTHES READY TO WEAR
Help prevent wrinkles from setting into clean clothes with the Wrinkle Shield™ option that tumbles loads after the cycle ends, or release wrinkles and reduce odors from dry clothes with the Steam Refresh cycle.

WASH AND DRY IN ONE APPLIANCE
Reinvent your laundry routine with a washer and dryer in one appliance. Innovative features on the Smart All-In-One Washer & Dryer help you do laundry in fewer steps.

HELPS PROTECT FABRICS
The Smooth Wave stainless steel wash basket helps prevent fabrics from snagging by gently guiding clothes throughout the cycle.

THOROUGH CLEANING FOR EVERY LOAD
The dual action agitator with fabric softener dispenser provides effective wash action and dispenses detergent at the right time, while select models with an impeller gently give clothes a deep clean.

DESIGNED TO FIT WHERE YOU NEED THEM
Compact washers and dryers are great for homes where room is at a minimum, especially with our most space-saving compact laundry pair design ever. Combination laundry pairs are another option to help save space while still providing plenty of capacity and high-efficiency performance.

Dimensions are shown for planning purposes only. For complete information, see Installation Instructions packed with product.
A — ACCUDRY™ SENSOR DRYING SYSTEM/TECHNOLOGY
Two built-in sensors measure moisture and temperature levels to help prevent overdrying and automatically stop the cycle when the load is dry.

ACTIVE SPRAY TECHNOLOGY
Virtually eliminate the need to prewash with Active Spray technology. It saturates clothes with a mixture of detergent and water to cover fabrics completely and evenly for better cleaning performance.

ADA COMPLIANT
Appliances with this designation meet standards set by the Americans with Disabilities Act when installed in compliance with current ADA standards.

ADAPTIVE WASH TECHNOLOGY
Senses each load type and then adapts water levels and wash actions, based on the type of load being washed, for optimal cleaning.

ADVANCED MOISTURE SENSING
Help prevent damage caused by overdrying. Three sensors track moisture and temperature, adapting drying times to end the cycle at just the right time.

AIR CARE LIFTERS
Multiple streams of warm air blow straight into the drum to give your clothes an effective and delicate dry.

AMAZON DASH REPLACEMENT
Automatically reorder your favorite laundry supplies so you never run out by connecting the Whirlpool app with your Amazon account. Your device can track how much inventory you have on hand and ship you a replacement order when you’re running low.

AUTODRY™ DRYING SYSTEM
Help prevent overdrying with the AutoDry™ drying system that senses when clothes have reached the right moisture content and stops the cycle.

AUTOMATIC WATER LEVELS
Automatic water levels regulate the amount of water based on the size of the load.

B — BUILT-IN WATER FAUCET
Easily preswash clothes and other items right in the washer with a conveniently located interior faucet that gives you easy access to an instant water stream to remove loose soils.

BULKY/SHEETS CYCLE
The Bulky/Sheets cycle takes care of bedding as well as those bulky winter jackets. The washer fills with enough water to wet down the load before the wash cycle begins, then uses a higher water level than other cycles.

C — CLEAN WASHER WITH AFFRESH® CYCLE
Run the affresh® cycle every 30 washes with an affresh® Washer Cleaner tablet or liquid chlorine bleach to thoroughly clean the inside of your washer.

CLOSET-DEPTH FIT
Get a space-saving design with closet-depth fit that allows for more flexible installation in your laundry space.

COLD WASH CYCLE
Give your most vibrant colors the protection they need with the Cold Wash cycle that adjusts wash actions and time, combined with gentle temperatures, to provide optimal fabric care.

COLORLAST™ CYCLE
Keep colors vibrant longer using a precise combination of gentle wash action, temperatures and time.

COLORS CYCLE
Care for colored fabrics with a cycle that uses cold water to provide optimal fabric care.

DEEP CLEAN OPTION
The Deep Clean option adds increased wash action and extra rinsing to help break down heavy soils.

*Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect. **Designed to fit a 33” installation depth. (Compared to our pre-2008 agitator washer.)
DEEP WATER WASH CYCLE
Get more water to help break down loose soils. This option fills your washer to the maximum water level so heavily soiled clothes get an optimal clean.

DELAY WASH OPTION
Sets the washer to begin cleaning later so you can unload or transfer clothes to the dryer when it's more convenient.

DELICATES CYCLE
Clean your delicate items with an intermittent wash action and slow spin speed, to provide everything you’d expect for gentle fabric care.

DERTEGENT DOSING AID
Stop overdosing your detergent and help rid your clothes of residue. The Detergent Dosing Aid option helps you add the right amount of detergent to provide any load the right clean without the residue.

DIRECT DRIVE MOTOR
The direct drive motor is what helps our transmission system handle larger-capacity loads. It uses fewer moving parts so there's less wear and tear over time.

DOWNLOAD & GO™ OPTION
Get the right clean for your clothes by downloading specialty cycles for items like activewear, swimwear, sleeping bags and more with the Download & Go™ option.

DUAL ACTION AGITATOR WITH FABRIC SOFTENER DISPENSER
Get dual action cleaning and convenient fabric softener dispensing at just the right time when you fill this cap with softener before the cycle begins.

EASYVIEW™ GLASS LID WITH SLOW-CLOSE TECHNOLOGY
Enjoy a clean, streamlined look with the see-through lid with SLOW-CLOSE TECHNOLOGY EASYVIEW.

ENERGY STAR® CERTIFIED
ENERGY STAR® certified models exceed government standards to help conserve natural resources and save money on your utility bills.

ENHANCED TROUBLESHOOTING
Get immediate support for quick solutions by using your smartphone or tablet to access troubleshooting videos.

EXTRA RINSE OPTION
Ensure dirty loads get the care they need with an extra rinse to wash away any lingering soils or detergent.

12-HOUR FANFRESH® OPTION
Keep clothes fresh for up to 12 hours after the wash cycle has ended. A built-in fan activates after the wash cycle is over, tumbling clothes for up to 12 hours so you can finish laundry when you’re ready.

HAMPER DOOR
Easily transfer loads from the washer to the dryer and from the dryer to the laundry basket without worrying about clean clothes falling on the floor with this wide-opening door.

HANDWASH CYCLE
The Handwash cycle uses lower spin speeds combined with reduced tumbling to soak the load and clean clothes gently.

HEAVY SOIL OPTION
Optimize stain removal for your family’s messes. The Heavy Soil option provides efficient cleaning action that helps break down stains and rinses away soils.

IMPELLER
Give clothes a thorough and gentle clean with the impeller that drives clothes from the outer rim to the center, where the deepest clean happens.

INTUITIVE CONTROLS
Let the washer and dryer guide you to the right cycle combinations or customize your own to get the right type of fabric care for whatever you’re cleaning.

L

LAUNDRY PEDESTALS
Raise your laundry pair for easier loading and unloading. Some pedestals also provide space-saving storage for detergent, fabric softener and other supplies.

LOAD & GO™ DISPENSER
Skip adding detergent to every wash with the Load & Go™ dispenser, the Load & Go™ XL dispenser or the Load & Go™ XL Plus dispenser. Choose from models that hold enough for 20 to 40 loads, with select models adding a second compartment for fabric softener! The dispenser measures and dispenses the right amount for every load so clothes get the care they need in fewer steps.

LONG VENT DESIGN
Enjoy great drying performance even when your space requires a long vent system. Ideal for apartment or condominium living, the 125 ft. vent gives you installation flexibility when you need it.

MATCH WASHER CYCLE WITH DRYER CYCLE
Get the right kind of dry for your load. The Whirlpool® app will suggest the dry cycle that matches the wash cycle you used.

MATCH WASHER CYCLE WITH DRYER CYCLE
Get the right kind of dry for your load. The Whirlpool® app will suggest the dry cycle that matches the wash cycle you used.

O

OXI DISPENSE OPTION
The Oxi Dispense option distributes oxygenated additives at the right time to enhance cleaning results.

P

PRECISION DISPENSE
This feature automatically provides well-balanced cleaning by releasing detergent at the correct time to mix with water, penetrate fabrics and deliver optimal fabric care.

PREWOAK OPTION
The PreWash option lets you skip soaking outside of the washer. Extra time is added in the washer before the wash cycle, which starts automatically when the option is complete.

PREVASH OPTION
Skip presoaking in the sink by hand and let the washer do it for you using the PreWash option. Additional wash time before the cycle starts helps keep on heavily soiled loads that contain tough stains.

QUAD BAFFLES
Four baffles tumble clothes in a randomized pattern, allowing items to open up more freely. This helps increase the effectiveness of the dryer for small loads.

QUICK DRY CYCLE
Finish drying a small load quickly.

QUICK WASH CYCLE
Designed to clean small, lightly soiled loads in less time using increased spin speeds to extract more water.

REMOTE CONTROL WITH THE WHIRLPOOL® APP
Stay in control and connected from anywhere. The Whirlpool® app lets you set, start or pause wash and dry cycles and track progress when you’re away.

SANITIZE CYCLE
Provides excellent care for your clothes while eliminating 99.9% of common household bacteria.

SAVE TIME OPTION
Get your clothes ready to wear sooner thanks to the Save Time option that cleans lightly soiled loads that don’t need the full wash time.

*WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect. **Savings may vary by load type. ¥Bacteria tested were K. pneumoniae, P. aeruginosa, S. aureus. ¥¥Based on an 8-lb load. ††Available on select cycles. Details and privacy info at whirlpool.com/connect. ⁵Actual capacity varies.
SINGLE LOAD DISPENSER
Use the single load dispenser when you want to wash with a different detergent than the one currently in the Load & Go™ dispenser. Additional compartments for bleach and fabric softener make sure any additives get dispersed at just the right time during the cycle.

SMART ALL-IN-ONE WASHER & DRYER
Reinvent your laundry routine with the innovative features of the Smart All-In-One Washer & Dryer that help you do laundry in fewer steps.

SMART APPLIANCE
Care for your family from your smartphone or tablet.

SMOOTH SPIRAL STAINLESS STEEL WASH BASKET
Help protect fabrics from snagging with this stainless steel wash basket that gently guides clothes during the wash.

SMOOTH WAVE STAINLESS STEEL WASH BASKET
Help protect fabrics from snagging with this stainless steel wash basket that gently guides clothes during the wash.

SOAKING CYCLES
Soak and wash in one cycle. Skip a trip to the laundry room with soaking cycles that start washing whites and colors as soon as they're done soaking.

SOIL LEVEL SELECTION
Choose the right amount of agitation for your fabrics with an option that lets you select the soil level of your load on any cycle, so you get less agitation on light loads and more on full or dirty loads.

SOUND PACK
Get additional insulation that helps keep your dryer out of sight and out of mind while your clothes get the right kind of dry.

STAINLESS STEEL WASHER AND DRYER DRUM
The drum’s stainless steel construction has a smooth surface that resists odors, rust and chipping and helps prevent fabrics from snagging or tearing.

STATIC REDUCE OPTION
Help decrease static with the Static Reduce option, which combines a spray of mist with tumbling after the load is dry.

STEAM CLEAN OPTION
Get help removing everyday stains with the Steam Clean option, which gets deep into fabrics with increased wash action and heat.

STEAM REFRESH CYCLE
Release wrinkles and reduce odors with the Steam Refresh cycle. It uses water and heat to get clothes ready to wear without rewashing.

TIME DRY
Take control of your time. For those occasional times that a damp load needs a little extra dry time or when using a drying rack, set the control and you can get your fabrics dried on your schedule.

TOUCHSCREEN
Get instant access to the settings you use most with an intuitive touchscreen that learns, adapts and suggests customized presets based on your family’s routines.

TUMBLEFRESH™ OPTION
Keep clean clothes smelling fresh without having to start the dry cycle immediately. The TumbleFresh™ option activates after the wash cycle is finished and rolls clothes periodically for up to 12 hours.

TWO-WAY WASH ACTION AGITATOR
Give your clothes a deep yet gentle clean with the two-way wash action agitator, which turns one way while the basket turns the other, for a cleaning motion that moves fabrics smoothly through the wash.

VENTLESS CONDENSATION DRYING TECHNOLOGY
A ventless heat pump design takes the next step in energy efficiency. It recycles air and captures moisture so you can enjoy a more efficient and perfect drying experience.

VOICE CONTROL WITH A COMPATIBLE DEVICE
Keep up with laundry no matter what you’ve got on your hands with simple voice commands using a compatible voice-enabled device.*

WASH & DRY OPTION
Let the washer keep laundry moving for you by adding this option to select wash cycles. After washing ends, it uses hot air to tumble dry clothes right in the washer.**

WATER LEVEL SELECTION
Choose the water level you need for the cycle you want. No matter which wash cycle you choose, water level selection lets you select Auto Sensing to adjust water based on load size or the Deep Water Wash option to help break down loose soils with more water.

WHITE PORCELAIN BASKET
Keep your whites looking good thanks to the durable finish that resists scratches, chemicals and rust.

WHITES CYCLE
Keep your whites looking their best with a cycle that cleans thoroughly while gently caring for your clothes.

WOOL CYCLE
In the washer, cool water and slow spin speeds clean your washable delicates to provide everything you’d expect from gentle fabric care. In the dryer, keep cozy, dryable wool fabrics fluffy and smooth with a gentle drying process.

WRINKLE SHIELD™ OPTION
Help keep wrinkles from setting into clean, dry fabrics with the Wrinkle Shield™ option. It keeps clothes tumbling for up to 150 minutes after the cycle ends or until you open the door.

WRINKLE SHIELD™ PLUS OPTION WITH STEAM
Keep wrinkles from setting into clean, dry fabrics. The Wrinkle Shield™ Plus option with Steam uses tumbling and steam for up to 150 minutes after the cycle ends or until you open the dryer door for improved wrinkle-fighting performance.

*Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.

**Wash & Dry an 8-lb load in less than 6 hours for improved wrinkle-fighting performance.
FINDING WHAT YOU NEED

That’s caring—and why we created refrigerators that give you the ideal spaces for the items you use most.

PURPOSEFUL STORAGE SPACES
Store more of your family’s favorites with features like wall-to-wall frameless shelves, adjustable gallon door bins, shelves that give you the vertical room you need and the perfect spots for pizzas, cans and bottles.

MORE SHELF SPACE
With the ice bin moved to the door, In-Door-Ice® storage makes room for extra shelves in the freezer.

EASY ICE AND WATER ACCESS
Enjoy fresh filtered water and ice without ever opening the refrigerator door thanks to an exterior ice and water dispenser with EveryDrop® filtration.

KEEPS FOOD TASTING GREAT
The technology of the Accu-Chill™ temperature management system senses and adapts to cool food quickly, creating the ideal environment for every item.

GREATER STORAGE FLEXIBILITY
Store more items on each shelf with wall-to-wall frameless glass shelves, which allow you to place food and drinks on the shelf without a frame in the way.

SPACE FOR TALL ITEMS
Make room for taller items like drink bottles by quickly and easily moving the Flexi-Slide™ bin from side-to-side, giving you more convenient storage options.

RIGHT ENVIRONMENT FOR PRODUCE
Keep fruits and vegetables fresh with the ideal moisture and temperature levels in humidity-controlled crispers.

FOOD LOOKS AS IT SHOULD
By casting light inside the refrigerator, LED interior lighting keeps food looking as good as it tastes.

UNDERCOUNTER REFRIGERATOR, WINE CENTER & ICEMAKER FEATURES

STORE FOOD & DRINKS YOUR WAY
Customized temperature selection, available in both single-temperature controlled and dual-temperature controlled zones, lets you accommodate whatever food and beverages you're storing, even on different racks.

ITEMS LOOK THE WAY THEY SHOULD
Keep food and drinks looking as good as they taste with LED interior lighting, which casts light inside so everything looks like it’s supposed to.

KEEP WINE BOTTLES AT HAND
Conveniently store up to 12, 34 or 51 bottles of wine in the designated wine storage area.

DESIGNED TO SUIT YOUR SPACE
Install reversible stainless steel or glass doors on either side to fit unique spaces.

AVAILABLE COLORS
- White (W/Q)
- Black (B)
- Stainless Steel (S)
- Fingerprint-Resistant Stainless Steel (Z)

Filter 5
Provides 6 months of ethylene absorption in the crisper drawer, helping keep produce fresh.

Filter 8
Up to 15 times more effective than baking soda in reducing common food odors. Replace filter every 6 months for optimal performance.

58" Industrial-Grade Refrigerator Water Hose

Touch-Up Paint

Designed with a nickel-safe formula to help remove mineral build-up from your freestanding ice machine.

Multi-Use Cleaning Brush

Recommended for cleaning refrigerators, this brush helps save energy and ensures proper performance. 37½" (L) x 2" (W) x 2" (D)

Stainless Steel Cleaning Wipes

Gently clean fingerprints, smudges and other residues from your stainless steel appliances.

Stainless Steel Cleaning Mousse

Stainless Steel Cleaning Wipes

Gently clean fingerprints, smudges and other residues on all stainless steel surfaces for a streak-free shine.

Stainless Steel Cleaning Mousse

Helps keep produce fresh inside the refrigerator. This starter kit fits in any refrigerator bin.

A

ACCU-CHILL™ TEMPERATURE MANAGEMENT SYSTEM
Cool food quickly with technology that senses and adapts to create the ideal environment for food.

ADAPTIVE DEFROST
Automatically monitors the freezer environment and runs the cycle only when necessary.

ADJUSTABLE GALLON DOOR BINS
Move these adjustable bins anywhere in the door for increased loading flexibility when and where you need it.

AUTO-HUMIDITY CRISPER
Easily access butter, cheese and other dairy products in a bin with the countertop.

C

CANT DRAWER
Easily accommodate beverage jugs and other large containers in the full-width drawer.

COUNTER DEPTH DESIGN
Add additional kitchen space with styling that fits virtually flush with the countertop.

COOLING
Choose the ideal temperature for whatever foods you’re storing with convenient, up-front controls.

COURTNEY TEMPERATURE-CONTROLLED ZONE
Select undercounter wine and beverage centers feature a dual temperature-controlled zone. Customize up to two different temperatures to accommodate whatever beverages you’re storing.

D

DEFROST DRAIN WITH HOSE ADAPTER
Whirlpool® chest freezers with this feature offer more convenient defrosting with less mess.

DELICIOUS DRAWER
Store plenty of meat and cheese with a deli drawer.

DELICIOUS DRAWER WITH CUSTOMIZABLE TEMPERATURE
Make temperature adjustments based on the refrigerated foods you’d like to store so things like meat, deli items and drinks are kept in their ideal cooling environment.

DUAL COOLING
Keep food fresh with advanced dual cooling technology, which senses conditions and automatically adapts humidity levels, so food is stored in the right environment.

DUAL ICEMAKERS
Always have plenty of ice on hand with a secondary icemaker in the freezer.

DUAL TEMPERATURE-CONTROLLED ZONE
Select undercounter wine and beverage centers feature a dual temperature-controlled zone. Customize up to two different temperatures to accommodate whatever beverages you’re storing.

DUALCOOLING
Keep food fresh with advanced dual cooling technology, which senses conditions and automatically adapts humidity levels, so food is stored in the right environment.

FINGERPRINT RESISTANT
Resists fingerprints and smudges with steel that’s easy to clean.

FLEXI-SLIDE™ BIN
Make space for tall items with the bin that quickly and easily moves to increase ice production by over 30%.

FREEZER DIVIDER
Easily customize storage and organize frozen food using the movable freezer divider bin.

FREEZE-FREE DEFROST
Stop emptying the freezer to manually defrost with a freezer that automatically helps prevent frost build-up.

FULL-WIDTH PANTRY DRAWER
Easily store wide items like party platters and sheet cakes in the full-width drawer.

FULL-WIDTH TEMPERATURE-CONTROLLED DRAWER
Store wide items like party platters and sheet cakes or preserve large amounts of meat and cheese at just the right temperature.

G

GALLON DOOR BINS
Easily accommodate beverage jugs and other large containers in the door to free up shelf space.

H

HIDDEN HINGES
Get a seamless look with door hinges that stay out of sight.

HUMIDITY-CONTROLLED CRISPER
Store fruits and vegetables in their ideal environment.

INTERIOR WATER DISPENSER WITH EVERYDROP® FILTRATION
Access fresh filtered water without ever opening the refrigerator door.

EZ Connect IceMaker Kit
This optional icemaker for select top-freezer refrigerators adds convenient, easily accessible ice without having to worry about refilling ice trays.

FACTORY-INSTALLED ICEMAKER
Don’t worry about refilling ice trays with this pre-installed icemaker that makes sure you always have plenty of ice on hand.

FACTS COOL OPTION
Quickly lower the refrigerator temperature with the push of a button when you need to rapidly cool freshly bought groceries or other foods.

FRESHFLOW™ AIR FILTER
The FreshFlow™ air filter is up to 15 times more effective than baking soda in removing common food odors. This carbon-based filter should be replaced every 6 months for optimal freshness.

FRESHFLOW™ PRODUCE PRESERVER
Keep fruits and veggies in the ideal environment to help produce stay fresher longer.*

FROST-FREE DEFROST
Automatically monitors the freezer environment and runs the cycle only when necessary.

FREEZESHIELD OPTION
Reduces temperature fluctuations from the automatic defrost cycle with the push of a button.

FRUIT AND VEGETABLE CRISPER
Easily store fruits and veggies of all shapes and sizes and help keep them fresh with automatic humidity control.

FRUIT STORAGE BIN
Easily store fruits and veggies of all shapes and sizes and help keep them fresh with automatic humidity control.

FULL-WIDTH PANTRY DRAWER
Easily store wide items like party platters and sheet cakes in the full-width drawer.

FULL-WIDTH TEMPERATURE-CONTROLLED DRAWER
Store wide items like party platters and sheet cakes or preserve large amounts of meat and cheese at just the right temperature.

FRESHFLOW™ PRODUCE PRESERVER
Keep fruits and veggies in the ideal environment to help produce stay fresher longer.*

FROST-FREE DEFROST
Stop emptying the freezer to manually defrost with a freezer that automatically helps prevent frost build-up.

FULL-WIDTH PANTRY DRAWER
Easily store wide items like party platters and sheet cakes in the full-width drawer.

FULL-WIDTH TEMPERATURE-CONTROLLED DRAWER
Store wide items like party platters and sheet cakes or preserve large amounts of meat and cheese at just the right temperature.

Store fruits and vegetables in their ideal environment.
HUMIDITY-CONTROLLED DOUBLE CRISPER
Get the room you need to store fruits and vegetables in their ideal environment.

IN-DOOR-ICE® STORAGE
With an ice bin that’s been moved to the door, get an extra full shelf in the refrigerator compartment of select French door bottom-freezer refrigerators, and two extra shelves in the freezer compartment of select side-by-side refrigerators.

INFINITY SLIDE SHELF
Make room for large, high-traffic items with an adjustable shelf that slides back and stops at any point to give you the space you need, even if it’s just an inch, so you can fit and find it all.

INTERIOR WATER DISPENSER WITH EVERYDROP® FILTRATION
Easily access fresh filtered water with the interior dispenser.

LED DISPENSER NIGHT-LIGHT
Easily find water and ice at night when you turn on the dispenser night-light.

LED INTERIOR LIGHTING
Keep food looking as good as it tastes. Light is cast inside the refrigerator so food looks like it’s supposed to.

MEASURED FILL
Select the exact amount of filtered water you need. The dispenser will fill your container in ounces, cups or liters, and automatically shut off when it’s done.

METAL RACK FRONTS
In select undercounter wine centers, get a premium look and feel with quality that lasts through years of use.

PIZZA POCKET
Easily stores frozen pizzas upright without the hassle of trying to fit them on flat freezer shelves.

PLATTER POCKET
Wide, flat items like brownie pans, lasagna and pizza boxes stay tucked out of the way in this space designed to keep them safe from stacking.

QUAD CRISPER
Have plenty of space for all your fresh produce with this crisper option, available on all-refrigerator models.

REFRIGERATED EXTERIOR DRAWER
Keep items you use most within easy reach. An exterior drawer gives you additional refrigeration space and lets you adjust temperature controls and dividers based on what you’re storing.

REVERSIBLE SIDE-SWING FREEZER DOOR
Instead of a freezer drawer, select bottom-freezer models feature a reversible side-swing door, which allows for additional storage bins in the door.

SIDEKICKS® UPRIGHT MODELS
Place the refrigerator and freezer models side by side and get up to a combined 36 cu. ft. of storage for all your favorite foods.

SMALL ITEMS BIN
Keep sight of the little things, like butter and string cheese, in the small items bin.

SPILLPROOF GLASS SHELVES
Simplify cleanup with shelves that help contain spills and prevent liquids from leaking below.

TEMPERATURE ALARM
Notifies you when the freezer’s temperature rises to help you monitor the ideal environment for your frozen foods.

TEMPERATURE SENSOR ALERT
Keep items at their ideal temperature with an alert that lets you know if the temperature is rising or cold air is escaping through an open door.

TRIPLE CRISPER
Get more storage flexibility with two large, auto-humidity controlled crispers and a smaller center crisper.

TRIPLE-TIER FREEZER STORAGE
Quickly find frozen food in the triple-tier freezer. Three levels of organization help you avoid stacking or burying so you can see and get to frozen foods faster.

TUCK SHELF
This adjustable shelf has two positions to temporarily create more space for tall items. The front half slides under the back half.
GETTING MEALS TO THE TABLE QUICKLY

That’s caring—and why our cooking features cut out routine steps so you’re ready for the unpredictable.
NOTE: Not all features available on all models. Screen images simulated.

*CNot all frozen foods included. Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.

**U.S. only. †Select recipes only. Compatible smart appliance required. Appliance must be set to remote enable. Features subject to change. Details and privacy info at whirlpool.com/connect and yummly.com. ††Appliance must be set to remote enable. WiFi & App Required. Features subject to change. CARE SMARTER IN THE KITCHEN
Send cooking instructions for frozen food to the oven from your smartphone using Scan-to-Cook technology and get instant access to the settings you use most with a touchscreen that learns and adapts based on your family’s routines.

MAKES MEAL PREP EASIER
Yummly® Guided Cooking helps you answer “what’s for dinner?” before it’s even asked, with recipes, tutorials and prompts in the app that send cooking instructions straight to your smart appliance at the right times.

CONTROL YOUR RANGE WITH SIMPLE VOICE COMMANDS††
Voice control with a compatible voice-enabled device lets you control your kitchen no matter what you’ve got on your hands using the Google Assistant or an Alexa-enabled device.

SKIP PREHEATING
Cook frozen favorites like pizza in fewer steps thanks to Frozen Bake™ technology, which uses preprogrammed settings that automatically adjust cooking times for you.

### 30-Inch WGE745C0F

- **MODEL**: 30-Inch WGE745C0F
- **Oven capacity (cu. ft.)**: 2.5 upper, 4.2 lower
- **Total capacity (cu. ft.)**: 6.7
- **Fuel type**: Electric
- **Dimensions**:
  - Max height (A): 47 1/8" 
  - Width (B): 30" 
  - Depth (C): 26 1/2" 
  - Depth with door open (D): 40"

### Features

- **Electronically controlled**
- **Element type**: Radiant
- **Broil element**: 3,600W
- **Cleaning system**: Adjustable self
- **Keep Warm setting**: •
- **Temperature sensor**: •
- **Adjustable rack**: 1
- **Frozen Bake™ technology**: •
- **Rack positions**: 2
- **Adjustable racks**: 2
- **Right front element**: 9"/6" 3,000W FlexHeat™ dual
- **Right rear element**: 6" 1,200W
- **Center oval burner**: 6" 100W Warm Zone
- **True convection cooking with Convection Conversion**: •
- **EZ-2-Lift™ hinged cast-iron grates**: •
- **Left front burner**: 16,000 BTU SpeedHeat™
- **Left rear burner**: 5,000 BTU AccuSimmer®
- **Right front burner**: 10,000 BTU
- **Right rear burner**: 5,000 BTU AccuSimmer®
- **Center oval burner**: 7,200 BTU
- **Star-K certified**: •
- **Available colors**: S / H / E

A SMARTER WAY TO COOK
Easily read your wall oven display with a proximity sensor that adjusts display text size based on your distance, send cooking instructions to the oven from your smartphone using Scan-to-Cook technology and get instant access to the settings you use most with a touchscreen.

MAKES MEAL PREP EASIER
Yummly® Guided Cooking helps you answer “what’s for dinner?” before it’s even asked, with recipes, tutorials and prompts in the app that send cooking instructions straight to your smart appliance at the right times.†

CONTROL YOUR OVEN WITH SIMPLE VOICE COMMANDS®
Voice control with a compatible voice-enabled device lets you control your kitchen no matter what you’ve got on your hands using the Google Assistant or an Alexa-enabled device.

COOK FOODS FASTER††
True convection cooking uses a third cooking element and a fan to distribute hot air evenly over, under and around food so dinner is ready when they are. Plus, Convection Conversion automatically converts traditional recipes for convection cooking, adjusting times and temperatures.

NOTE: Not all features available on all models. Screen images simulated.
*Not all frozen foods included. Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.
**U.S. only. †Select recipes only. Compatible smart appliance required. Appliance must be set to remote enable. Features subject to change. Details and privacy info at whirlpool.com/connect and yummly.com/privacy. ††Compared to a traditional thermal-bake cycle on the same model.

QUICK ACCESS TO SPILLS
Our industry-first EZ-2-Lift™ hinged cast-iron grates make cleaning simple with a hinged design that lets you wipe up the cooktop without removing the grates. And for a more thorough clean, the grates are also dishwasher safe.

FLEXIBLE, CONSISTENT COOKING
On select electric models, the FlexHeat™ dual and triple radiant elements provide multiple elements in one to fit small and large cookware. The FlexHeat™ burners on select gas models give you evenly distributed heat at both high and low temperatures with two rows of flames.

MAKES COOKTOP CLEANING EASY
Cut down on messes with the easy-wipe ceramic glass cooktop available on select electric models.

CLEAN UP FASTER
The raised edges of the upswept SpillGuard™ cooktop, available on select gas models, help contain spills.

### NOTES
- Dimensions are shown for planning purposes only. For complete information, see Installation Instructions packed with product.
- *Compatible single wall ovens: WOS51EC7H, WOS51EC0H, WOS72EC7H, WOS72EC0H, WOS97EC0H and WOSA2EC0H.
CARE & COOK SMARTER
The touchscreen provides instant access to the settings you use most, while a proximity sensor adjusts the microwave display text size based on your distance for easy reading. And with Scan-to-Cook technology, you can send cooking instructions to the microwave from your smartphone.†

KEEPS SPILLS FROM STICKING
Help prevent spills from sticking around thanks to the CleanRelease® non-stick interior, which lets you clean up with the simple wipe of a damp paper towel.

SAVE COOKTOP SPACE
Clear up your cooktop by using steam cooking to prepare foods like rice, vegetables and fish right in the microwave.†

TAKES OUT THE GUESSWORK
Sensor cooking tracks the cooking progress of your food and automatically adjusts cook times for you.

AVAILABLE COLORS

- White (W)
- Black (B)
- Biscuit (T)
- Universal Silver (S)
- Fingerprint-Resistant Stainless Steel (Z)
- Fingerprint-Resistant Black Stainless Steel (V)
- Fingerprint-Resistant Sunset Bronze (N)

NOTE: Not all models available on all models.
†U.S. only. ‡Not all frozen foods included. Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect. †Steam accessory sold separately.
WMH31017H
1.7 cu. ft. Microwave

- Dishwasher-safe turntable plate

NOTE: Not all features available on all models.

**AUTOMATIC LIGHTING**
When your kitchen lights dim, glass edge LED lighting senses the change in lighting and automatically turns on to act as a night-light.

**HELPs REMOVE SMOKE & ODORS**
Perimetric Venting technology concentrates hood suction to targeted zones on your cooktop, helping to keep your kitchen air clean.

**MORE INSTALLATION OPTIONS**
Convertible ventilation allows you to either vent vapors and odors outside or filter them and recirculate the air, depending on your kitchen’s setup.

**MAKES CLEANUP EASY**
Dishwasher-safe grease filters trap unwanted grease and odors and wash easily for re-use.

**AVAILABLE COLORS**
- White (W)
- Black (B)
- Stainless Steel (S)
- Fingerprint-Resistant Black Stainless Steel (V)
- Fingerprint-Resistant Sunset Bronze (N)

Dimensions are shown for planning purposes only. For complete information, see Installation Instructions packed with product.
1. affresh® Cleaning Cleaner
   Helps cut through tough, baked-on residue. Safe for all glass, ceramic, and porcelain cooktops.

2. affresh® Cleaning Kit
   Includes scraper lance and past form release built up and cooked on residue without scratching or harming your cooking surfaces and non-stick drawer that is safe for all glass and ceramic cooktops.

3. affresh® Cleaning Drying Rinse
   Specifically formulated to gently clean fingerprints, smudges and other residues from your stainless steel appliance.

4. affresh® Stainless Steel Cleaning Wipes
   Specifically designed to eliminate greasy, greasy, and visible odor from all stainless steel surfaces. 10.5" x 10.5".

5. affresh® Stainless Steel Cleaning Spray
   Designed to gently clean fingerprints, smudges and other residues on all stainless steel surfaces.

6. affresh® Stainless Steel Cleaning Wipes
   Gently clean fingerprints, smudges and residue for a streak-free, polished shine.

7. Sheet Cleaning Kit
   Offers everything you need to clean both gas and electric cooktops featuring AquaLift® self-cleaning technology.

8. Touch-Up Paint White
   Touch-up appliance exterior with this 0.6 fl. oz. bottle of touch-up paint. Includes applicator brush.

9. Touch-Up Paint Black
   Touch-up appliance exterior with this 0.6 fl. oz. bottle of touch-up paint. Includes applicator brush.

10. Touch-Up Paint Stainless Steel
    Touch-up appliance exterior with this 0.6 fl. oz. bottle of touch-up paint. Includes applicator brush.

11. Touch-Up Paint Universal Silver
    Touch-up appliance exterior with this 0.6 fl. oz. bottle of touch-up paint. Includes applicator brush.

12. 1.7 L Skillet Baking Pan
    Use for breads, rolls, loaves, pastries, and more. Can be used in both regular and convection ovens.

13. Griddle
    Higly effcient Heat re-tangle material with a non-stick stainless steel surface. Safe for use in conventional ranges, as well as in stovetops.

14. Stainless-Steel Grille
    Convection oven, cast-iron surface with use in gas and electric cooktops and ranges in to repair cooking surfaces.

15. Microwave Griller Pan
    Perfect for cooking and crisp polenta in the microwave.

16. Universal Microwave Steamer
    Use these dishwasher-safe and microwave-safe containers to store fish, vegetables, or rice. WR/IMAP.

17. Removable Range Top Covers
    Cover the sides of the range for a more finished look.

18. Stainless Steel-Top Range Top Covers
    Cover the sides of the range for a more finished look.

19. Range Top Covers Chrome
    Includes (3) 5" x 10" plates.

20. Range Top Covers Black
    Includes (3) 5" x 10" plates.

21. Range Top Covers Black
    Includes (3) 5" x 10" plates.

22. Range Top Covers Black
    Includes (3) 5" x 10" plates.

23. Heavy Duty Sliding Rack
    27" Wall Ovens. Offers enough strength to support two 16-lb turkeys.

24. Heavy Duty Sliding Rack
    27" Wall Ovens. Offers enough strength to support two 16-lb turkeys.

25. Heavy Duty Sliding Rack
    27" Wall Ovens. Offers enough strength to support two 16-lb turkeys.

26. Pressure Steam Pan & Roasting Rack
    Easy-to-clean 3-piece set with connector grid for better upward flow and steam.

27. Side-Tإيم Cover Kit
    Single Wall Ovens.

28. Side-T xlim Cover Kit
    Double Wall Ovens.

29. Side-Trim Cover Kit
    Combination Wall Ovens.

30. Replacement Drip Bowl Chrome
    Includes (2) 8" and (2) 6" drip bowls.

31. Replacement Drip Bowl Chrome
    Includes (2) 8" and (2) 6" drip bowls.

32. Replacement Drip Bowl Chrome
    Includes (2) 8" and (2) 6" drip bowls.

33. Vent Trim Kit
    27" Single and Double Wall Ovens Stainless Steel.

34. Vent Trim Kit
    27" Combustion Wall Ovens White.

35. Vent Trim Kit
    27" Combustion Wall Ovens Black.

    Touch-up appliance exterior with this 0.6 fl. oz. bottle of touch-up paint. Includes applicator brush.
COOKING GLOSSARY

A

ACCUPOP™ CYCLE
Helps prevent your popcorn from burning by using a sound sensor to track the time between pops.

ACCUSIMMER® BURNER/ELEMENT
Easily maintain low, even heat when cooking sauces and soups with reduced power for better control at lower temperatures.

ADA COMPLIANT
Appliances with this designation meet the Standards for Accessible Design specified by the Americans with Disabilities Act to provide equal access to all.

ADJUSTABLE SELF-CLEANING TECHNOLOGY
Clean without harsh chemicals or special cleaners by running this high-temperature setting that automatically cleans the oven according to a preprogrammed cycle.

AQUALIFT® SELF-CLEANING TECHNOLOGY
A special coating and water releases baked on foods from the bottom of the oven without cleaners. When the cleaning cycle is complete, soils and excess water can be easily removed with a damp paper towel.

CONTROL LOCK MODE
Disables the control panel to avoid unintended use.

CONVETIBLE VENTILATION
Vert vapers and odors outside or filter them and recirculate the air, depending on your kitchen’s setup.

DIGITAL MEAT THERMOMETER
Always know when food is done with a digital thermometer that automatically monitors the internal temperature of your dishes and turns off the oven when food is fully cooked.

EASY-WIPE CERAMIC GLASS COOKTOP
Wiping up spills is simple with the easy-to-clean cooktop.

ELECTRONIC TOUCH CONTROLS
Navigate through cooking modes and options with controls that are as easy to use as they are to clean.

ENHANCED TROUBLESHOOTING
Get immediate support for quick solutions by using your smartphone or tablet to access troubleshooting videos.

EZ-2-LIFT™ HINGED CAST-IRON GRATES
Get quick access to spills on the cooktop with our industry-first EZ-2-LIFT™ hinged cast iron grates. The hinged design lets you wipe up underneath without removing them. For a more thorough clean, the grates are also dishwasher safe.

FAN CONVECTION COOKING
Cook meals consistently with a fan in the back of the oven that distributes hot air more efficiently. This helps eliminate cold spots so you can bake on any rack.

FIT SYSTEM
Appliances with the FIT system will fit seamlessly in your kitchen without the hassle of remodeling.

FLEXHEAT™ BURNER
Two rows of flames give you the evenly distributed high heat you need for rapid boiling and searing or the lower temperatures necessary for more delicate dishes.

FLEXHEAT™ ELEMENT
Get two or three elements in one with a 6” inner ring that’s great for smaller pots and pans, and expandable outer rings that make room for larger cookware.

FLUSH INSTALLATION
Get a truly seamless look with a wall oven that fits flush with your existing kitchen cabinets.

FROZEN BAKE™ TECHNOLOGY
Skip preheating and cook frozen favorites like pizza in fewer steps with preprogrammed settings that automatically adjust cooking times for you.

GLASS EDGE LED LIGHTING
Senses when your kitchen lights dim and automatically turns on to act as a night-light.

GUIDED COOKTOP CONTROLS
Control the heat without the guesswork. The knobless design uses up/down arrows to select the temperature you need, while heat level indicators show when you are simmering and melting.

GUIDED SERVICE
Keep track of scheduled appointments and make sure issues are addressed when you need them. A sensor in the oven automatically sends data to your Whirlpool® app to act as a night-light.

HIGH-SPEED COIL ELEMENT
Cook pasta or fry eggs with this coil element that delivers quick, high heat for boiling and frying.

HOT OVEN INDICATOR LIGHT
See when the oven’s hot, even after it’s been turned off, with a light that lets you know.

HOT SURFACE INDICATOR LIGHT
See when the cooktop is still hot to the touch, even after it’s been turned off, with a light that lets you know.

INDUCTION COOKING TECHNOLOGY
Faster and more efficient induction technology transfers energy directly into any magnetic base cookware.

KEEP WARM SETTING
Keep dishes ready to serve while you work on the rest of the meal. This setting delivers low heat to the oven to keep prepared dishes from getting cold.

KOSHER CONSUMER FRIENDLY MODE
Keep kosher on the Sabbath with this mode that leaves the microwave true convection setting on at a constant temperature until it’s manually turned off.

LOW PROFILE DESIGN
Maximize space by moving your microwave off the countertop with a low profile design that fits in the same space as your undercabinet hood.

MAX CAPACITY RACK
Make plenty of room for large items with a max capacity rack.

MICROWAVE PRESETS
Make multi-step meals more simple. Use your smartphone or tablet to send multiple cooking instructions to the oven or microwave all at once. The temperature or cook power automatically adjusts based on the recipe you enter for great results without having to monitor your meal.

MICROWAVE WAVEGUIDE
Make multi-step meals more simple. Use your smartphone or tablet to send multiple cooking instructions to the oven or microwave all at once. The temperature or cook power automatically adjusts based on the recipe you enter for great results without having to monitor your meal.

MULTI-STEP COOKING
Make multi-step meals more simple. Use your smartphone or tablet to send multiple cooking instructions to the oven or microwave all at once. The temperature or cook power automatically adjusts based on the recipe you enter for great results without having to monitor your meal.

PRODUCT PRODUCED AFTER JUNE 2018 IS COMPLIANT WITH UL858-18, AS A RESULT, THESE PRODUCTS WILL BE EQUIPPED WITH TEMPERATURE CONTROLLED COILS. THOSE COILS MAY IMPACT COOKING PERFORMANCE WHEN COMPARED TO YOUR OLD COOKTOP, E.G., A SLIGHTLY LARGER TIME TO BOIL LARGE VOLUMES OF WATER. FILL WITH 24” EXTENSION TUBING FOR UNDERCABINET HOODS AND LOW PROFILE MICROWAVE HOOD COMBINATION.

See when the oven’s hot, even after it’s been turned off, with a light that lets you know.

*WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.

†Based on 24” minimum install for undercabinet hoods and Low Profile Microwave Hood Combination.
Integrate your Nest Learning Thermostat® with the Whirlpool® app to be alerted if your oven is left on while you’re away.†

NOISE REDUCTION TECHNOLOGY
Sound insulation and a special chimney design allow for quiet ventilation.

PARTY MODE
Start preparing for guests from your smartphone or tablet with Party mode that automatically turns on the Keep Warm setting so dishes stay ready to serve.†

PERIMETRIC VENTING TECHNOLOGY
Helps remove smoke and odors by concentrating hood suction to targeted zones on your cooktop.

PROXIMITY SENSOR
Easily read your display no matter where you are in the kitchen with a sensor that immediately wakes up the appliance when you’re close and adjusts the display text size based on your distance.

RAPID PREHEAT
Save time with 20% faster preheating.‡ A rear fan combined with the use of all of the elements helps to heat the oven quickly.

REMOTE CONNECTIVITY
Know if you’ve left a burner on with remote connectivity that lets you monitor your cooktop from your smartphone or tablet.³

SABBATH MODE
Enable this mode to set the oven to remain on the “Bake” setting at a constant temperature until it’s manually turned off. When it’s turned on, displays, tones and all other cooking and cleaning cycles are disabled.

SCAN-TO-CONNECT TECHNOLOGY
You don’t need to be a tech expert to connect your new appliance. Simply open the Whirlpool® app, add your appliance and follow the guided experience to get up and running quickly.†

SCAN-TO-COOK TECHNOLOGY®
Get the right settings every time. Scan a frozen food barcode with your smartphone or tablet and send recommended or customized cooking instructions straight to your oven or microwave for dinner done the way your family wants it.††

SEALED BURNERS
Cut down on cleanup with burners that are sealed to prevent food from falling into them.

SELF-CLOSE DOOR
Keep doors from shutting too quickly with the smooth, quiet mechanism of self-close doors.

SENSOR COOKING
Take out the guesswork with sensors that track the cooking progress of your food and automatically adjust cooking times.

SMART APPLIANCE
Care smarter with connected features that let you send cooking instructions to the appliance from your smartphone, control your kitchen with voice commands using a voice-enabled device or easily keep up with service and maintenance.³

STEAM CLEAN OPTION
Wipe up light messes quickly with this option that saturates baked on messes on the bottom of the oven with water and lower heat for easy cleaning.

STEAM COOKING
Clear up cooktop space by steaming foods like rice, vegetables and fish right in the microwave. Steam accessory available separately.

STORAGE DRAWER
Provides additional storage for commonly used cooking utensils, pots, pans and cookie sheets.

TAP TOUCH CONTROLS
Clean these controls as easily as you use them.

TEMPERATURE SENSOR
Get evenly baked food with a sensor that monitors oven temperature and adjusts the cooking elements.

TOUCHSCREEN
Get instant access to the settings you use most with a touchscreen that learns, adapts and suggests customized presets based on your family’s routines.

TRUE CONVECTION COOKING
Cook foods faster with the addition of a third element plus a fan that distributes hot air evenly over, under and around food so dinner is ready when they are.

TRUE CONVECTION MICROWAVE COOKING
Conveniently cook foods with the same home-cooked results, right in the microwave.

YUMMLY® GUIDED COOKING
Yummly® Guided Cooking makes meal prep easier by helping you answer the question “what’s for dinner?” before it’s even asked. Recipes with the Connected Fork icon in the Yummly® app include step-by-step tutorials that provide the extra assistance you need on busy days. Prompts in the app even send cooking instructions straight to your Whirlpool® smart kitchen appliance at the right times, so dinner’s ready when your family’s hungry.³⁹
MAKING ROOM

That’s caring—and why we designed our dishwashers with 35% more rack space* to fit those large, messy loads.

NOTE: Not all features available on all models.

*Compared to Whirlpool® dishwashers without a third level rack.
NO ONE HAS FEWER REPAIRS
20+ YEARS IN A ROW

NOTE: Not all features available on all models. Screen images simulated.

**Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.

†Compared to Whirlpool® dishwashers without a third level rack.
††Compared to Whirlpool® dishwashers without TotalCoverage spray arm.

WASH DISHES THE SMART WAY
With the Whirlpool® app, you can control your smart dishwasher even when away from home. Start or pause cycles, create customized cycles to wash and dry the way you want, and download specialty cycles from your smartphone or tablet.

35% MORE RACK SPACE†
Load more dishes in one go with the third level rack. You’ll find the extra room you need for hard-to-fit and oddly shaped items like spatulas and chef’s knives.

SCOUR AWAY BAKED-ON FOODS
With twice the jets for more coverage,†† the TotalCoverage spray arm uses a smarter sequence of spray patterns from multiple nozzles, hitting your dishes with increased water pressure.

THE RIGHT WASH & DRY EVERY TIME
Eliminate the guesswork with the ideal settings for each load with the Sensor cycle. Two separate sensors measure temperature, soil level and load size once during the prewash and again during the wash cycle to automatically pick the right wash and dry settings.

- W11042469
- W10278636RC
- Includes:
- Undercounter Mounting Kit
- 5’, 3-Prong Dishwasher Power Cord Kit
- 12oz. Stainless Steel Cleaning Spray
  - Specially formulated to eliminate overspray, dripping, and waste for a direct, even coverage that gently cleans fingerprints,
  - No-kink design is made for hot water.
- 12’ Drain Hose (Tall Tub)
  - Works with all standard size dishwashers. Can be used with solid surfaces, including granite.
- Swivel Gooseneck Fitting
  - 3-way, brass swivel gooseneck fitting. 3-way, brass swivel gooseneck fitting.
  - Brass swivel gooseneck fitting.
- Stainless Steel Cleaning Spray
  - Gently clean fingerprints, smudges and other residues on all stainless steel surfaces including refrigerators, range hoods, ovens, dishwashers, and appliances for a shiny shine. Dual spray design provides sideways spray for tight spaces. Convenient hook makes it easy to hang.
- Stainless Steel Cleaning Mousse
  - Gently clean fingerprints, smudges and other residues on all stainless steel surfaces including refrigerators, range hoods, ovens, dishwashers, and appliances for a shiny shine. Dual spray design provides sideways spray for tight spaces. Convenient hook makes it easy to hang.
- afresh® Dishwasher Cleaner
  - No need to remove racks to clean. afresh® Dishwasher Cleaner
- afresh® Stainless Steel Cleaning Wipes
  - Cutting-edge formula safely cleans stainless steel surfaces and removes fingerprints for a clean, shiny shine. No need to remove racks to clean.
- afresh® Stainless Steel Cleaning Mousse
  - Gently clean fingerprints, smudges and other residues on all stainless steel surfaces including refrigerators, range hoods, ovens, dishwashers, and appliances for a shiny shine.
- afresh® Disposal Cleaner
  - Blends with your restaurant’s speargrass to cut through grease and grime. afresh® Disposal Cleaner
- afresh® Stainless Steel Cleaning Spray
  - Specially formulated to stay where it’s sprayed, for minimal run-off and easy cleaning.
# 1-HOUR WASH CYCLE
Thoroughly cleans your dishes in nearly half the time. This hour-long cycle helps you take care of dirty dishes when you are in a rush.

## 30-DAY MONEY BACK CLEAN & QUIET GUARANTEE
If you are not completely satisfied that your new Whirlpool® dishwasher is quieter and cleans better than your previous model, Whirlpool Corporation will take it back within 30 days of the date of purchase and refund the full price to you. Visit whirlpool.com for complete details and qualified models.

## ADA COMPLIANT
This dishwasher meets the Standards for Accessible Design specified by the Americans with Disabilities Act to provide equal access to all.

## ADJUSTABLE UPPER RACK
Manually raise or lower the upper rack two inches to better fit tall items.

## AMAZON DASH REPLENISHMENT™
Automatically order dishwashing supplies when you’re running low by syncing your Whirlpool® app with your Amazon account.† This feature estimates the amount of supplies remaining and targets the right time to order necessities like detergent so your family always has what they need to do dishes when they need it.

## AUTOMATIC ANTI-JAM
If the door of a Whirlpool® trash compactor is opened while operation, the compression ram will automatically reverse to prevent jamming.

## CANNING & BREWING ITEMS CYCLE
Download this specialty cycle to clean heavily soiled items like those used for canning or brewing using higher water temperatures.

## CEE TIER STANDARDS
Based on the Consortium for Energy Efficiency (CEE) qualifying product lists. Visit ceeef.org for more information.

## CUP SHELVES
Stack two levels of coffee mugs or small cups and secure delicate glassware when used as a stemware holder in the upper rack.

## CYCLE MEMORY
Whirlpool® dishwashers remember the last cycle you picked and automatically choose it for you the next time.

## CYCLE STATUS INDICATOR
The fully lit display will glow for wash, drain, drying, sanitized and clean. It will also display the remaining time for the cycle in hours and minutes.

## DELAY WASH OPTION
Wash dishes according to your schedule. This option lets you delay washing for up to 24 hours until off-peak hours when utility rates may be lower.

## EASY ROLLERS™ INSTALLATION WHEELS
Easily position your Whirlpool® compactor where you need it with the Easy Rollers™ installation wheels.

## ENERGY STAR® CERTIFIED
Exceeds government standards to help conserve natural resources and save money on utility bills.

## ENHANCED TROUBLESHOOTING
Get immediate support for quick solutions by using a smartphone or tablet to access troubleshooting videos.††

## FAN DRY OPTION
Get cabinet-dry dishes straight from the dishwasher with a fan that pushes out moist air and helps pull in fresh, dry air.

## FOLDING TINES
Secure dishes during the wash cycle or fold down to create space for larger items.

## GLASS CYCLE
Glassware comes out clean, clear and ready to use with this cycle designed to prevent watermarks.

## GUIDED SERVICE
Keep track of scheduled appointments and make sure issues are known using the Whirlpool® app to send data from the appliance directly to Whirlpool brand customer service.††

## HEATED DRY OPTION
Dries dishes with heat. For best drying results, use this option with rinse aid.

## HEAVY CYCLE
Adds more time to the cycle to clean heavily soiled items.

## HIGH TEMPERATURE WASH OPTION
Choose this option when additional cleaning of items like baby bottles, glassware or dishes is required.

## IN-DOOR SILVERWARE BASKET
Designed to clean better and fit in four places for maximum flexibility, the in-door silverware basket rests on two locations in the bottom rack, the front of the lower rack or in the door for 100% usable rack space.

## IN-RACK SILVERWARE BASKET
Silverware gets its own place in the dishwasher with the in-rack silverware basket.

## INTEGRATED CONSOLE
This sleek exterior control panel is hidden away.

## MAINTENANCE ALERTS
Get notified when it’s time to clean or change the filter with an alert sent straight to your smartphone.†

## NEST LEARNING THERMOSTAT® INTEGRATION™
Users can integrate their Nest Learning Thermostat® with the Whirlpool® app to delay starting the dishwasher until they’re away from home.‡

## NORMAL CYCLE
Use for loads with normal amounts of food soil. This cycle is great for everyday loads.

## NYLON RACKS
Durable nylon coating helps resist rust and prevent scratching.

## PLASTIC ITEMS CYCLE
Download this specialty cycle to get the gentle cleaning and lower temperatures needed for softer plastic items.

## QUICK WASH CYCLE
Use for prerinsed or lightly soiled loads.

## RINSE ONLY CYCLE
Keeps food from drying on your dishes and reduces odor build up in your dishwasher until you are ready to wash a full load.

## SANI RINSE OPTION
Sanitizes dishes by eliminating ≥99.999% of food soil bacteria.

## SCAN-TO-CONNECT TECHNOLOGY
You don’t need to be a tech expert to connect your new dishwasher. Simply open the Whirlpool® app, add your dishwasher and follow the guided experience to get up and running quickly.

## SANI RINSE OPTION
Sanitizes dishes by eliminating ≥99.999% of food soil bacteria.

## SMART CONTROLS
Control your dishwasher remotely from your smartphone using the Whirlpool® app or your smart home hub.†† Features subject to change. Details and privacy info at whirlpool.com/connect.

## WATER SAVING CYCLE
Less soiling means fewer cycles and lower water and energy use.

## WASHING EFFICIENCY
Wash dishes to the level of cleanliness you desire.

## WASHING POWER
Wash dishes at the optimal temperature.

## WASHING TEMPERATURE
Select the appropriate temperature for your load.

## WASHING TIME
Choose the appropriate wash time for your load.

## WASHING WATER
Wash dishes at the appropriate water temperature.

## WITTERY RACKS
Secure dishes during the wash cycle or fold down for 100% usable rack space.

## YIELD CYCLE
Up in your dishwasher until you are ready to wash a full load.

### Cancellation Policy
Whirlpool Corporation will take it back within 30 days of the date of purchase and refund the full price to you. Visit whirlpool.com for complete details and qualified models.
**SENSOR CYCLE**
Automatically selects the right wash and dry settings for your load by using two separate sensors to measure temperature, soil level and load size once during the prewash and once during the wash cycle. It cleans tough soils using just the right amount of time, energy and water.

**SLIDING TINES**
Move left or right to fit your dishes. Now you have twice the space between tines to fit larger bowls for optimal cleaning.

**SOAK & CLEAN CYCLE**
Quietly soaks dishes with an extended prewash, which eliminates the need to presoak dishes before loading in the dishwasher. This cycle is ideal for loads with heavy amounts of dried-on or hard-to-clean baked-on food.

**SOIL SENSOR**
Determines how dirty dishes are and adjusts the Normal cycle as needed to make sure dishes come out clean.

**SPECIALTY AND CUSTOMIZED CYCLES**
Choose or create a unique cycle for customized care and send it to the dishwasher with the Download & Go™ option.

**STAINLESS STEEL INTERIOR**
Retains heat from wash and rinse cycles to promote drying. The stainless steel interior also cools faster than the dishes, allowing moisture to condense on the interior walls and drawing additional water off the hotter dishes.

**THIRD LEVEL RACK**
Take advantage of 35% more rack space to load more dishes and get extra room for hard to fit items, like spatulas, large spoons or chef’s knives.

**TOTALCOVERAGE SPRAY ARM**
Cleans with twice the jets† for more coverage. A smarter sequence of spray patterns from multiple nozzles hits dishes throughout the cycle with increased water pressure, so you can be sure they’re all clean and ready to go.

**TOUCH-TOE™ DRAWER OPENER**
Easily open Whirlpool® trash compactors without your hands using the Touch-Toe™ drawer opener. A light tap of the toe is all that’s needed to release the drawer.

**TOUCH PAD CONTROLS**
Trash compactors feature easy-to-operate touch pad controls on the front of the compactor.

**VOICE CONTROL WITH A COMPATIBLE VOICE-ENABLED DEVICE††**
Control your dishwasher no matter what you’ve got on your hands with simple voice commands using the Google Assistant or an Alexa-enabled device.
