Whirlpool® Smart Appliances

Touchscreen

Whirlpool® App

Voice Control with a Compatible Voice-Enabled Device†

*Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect. †U.S. only.
Inspired by the way consumers care

Our appliances eliminate steps, improve performance and fit your consumer's needs at every turn, helping them keep up with their family’s needs.

The Whirlpool brand consumer:

1. Is a multitasker who gets satisfaction from accomplishing their daily tasks.
2. Looks for brands that empower them to take care of their family.
3. Wants style and technology in their home that complements, not overshadows, family life.

Keeping up with the needs of the Whirlpool consumer means keeping pace with new innovations. More and more homeowners are considering smart technology for their home and builders must meet that demand.

1/3 of homeowners report buying one or more appliances with hi-tech features, like touchscreen displays or wireless controls during a remodel.

2/3 of homeowners and 86% of parents surveyed will likely purchase a smart appliance next.

---

Smart appliances help consumers care smarter

For Whirlpool brand, smart means relating on a personal level. That’s why we designed our selection of smart appliances to anticipate what comes next and adapt to your consumer’s habits.

Consumers can interact with their appliances in multiple ways

Touchscreen
Get instant access to settings that learn, adapt and suggest customized presets based on consumer’s routines.

Whirlpool® App
Control smart appliances from anywhere with the Whirlpool® app, which offers consumers real-time updates and remote control from their smartphone or tablet.†

Voice Control with a Compatible Voice-Enabled Device
Consumers can control their appliance no matter what they’ve got on their hands with simple voice commands using the Google Assistant or an Alexa-enabled device.†

HOW TO CONNECT

Once the appliance is in place, it’s easy to connect with 3 easy steps:

1. Install the appliance
2. Download the Whirlpool® app and create a login
3. Follow 3 steps on the app to claim the appliance

USING SCAN-TO-CONNECT TECHNOLOGY

Add Appliance
Tap “Add an Appliance” to get started on the easy connection process.

Scan
Scan the QR code on your appliance.

Connect
Once connected, homeowners can enjoy the innovative features of their smart appliance.

Need additional support?
No problem.
Call the Customer Experience Center at (866) 698-2538 with inquiries about smart appliances or the connection process. A dedicated member of our Smart Appliance team is ready to help.
Amazon Dash Replenishment
Automatically reorder dishwashing supplies when they’re running low by syncing your Whirlpool® app with an Amazon account.*† This feature estimates the amount of supplies remaining and targets the right time to order necessities like detergent so they don’t run out.

Voice Control with a Compatible Voice-Enabled Device
Consumers can control their appliances with simple voice commands. Select Whirlpool® appliances now work with the Google Assistant or Alexa-enabled devices so consumers can remotely preheat, set cooking mode, stop their oven or check the status of their dishwasher.*†

Nest Learning Thermostat® Integration†
• Integrate with the Whirlpool® app to be alerted if the oven is left on while the consumer is away*‡
• The dishwasher can wash while the consumer is away*‡
• Take advantage of the Rush Hour Rewards™ program to avoid running the Smart All-In-One Washer & Dryer during peak energy usage hours*¥

A home ecosystem that simplifies consumers’ lives

NOTE: Features may vary by product.
*Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect. †U.S. only. ‡Away signals may take up to 2 hours. ¥Rush Hour Rewards™ not available in all locations.

Find everything you need to meet consumer demand for connectivity throughout the home at WhirlpoolPro.com.

SEE CONNECTIVITY IN ACTION AT WHIRLPOOLPRO.COM
How It Works
1. Select from Guided Cooking recipes that fit the user’s profile
2. Follow step-by-step instructions and video tutorials
3. Prompts in the app send cooking instructions directly to the appliance at the right times

Yummly is a leading cooking app that allows consumers to discover and save recipes, schedule meals, create grocery shopping lists and more.†

Scan-to-Cook Technology
Busy consumers appreciate the convenience of frozen foods but still want the right settings, even when they’re in a rush. With Scan-to-Cook technology they scan a frozen food barcode with their smartphone or tablet and send cooking instructions straight to their oven for dinner done the way their family wants it.™

How It Works
1. Open the Whirlpool® app
2. Select a cooking appliance
3. Scan barcode of select frozen foods
4. Send recommended or customized cooking instructions directly to the appliance
5. Receive push notifications throughout the cooking process

Busy consumers appreciate the convenience of frozen foods but still want the right settings, even when they’re in a rush. With Scan-to-Cook technology they scan a frozen food barcode with their smartphone or tablet and send cooking instructions straight to their oven for dinner done the way their family wants it.™

How It Works
1. Open the Whirlpool® app
2. Select a cooking appliance
3. Scan barcode of select frozen foods
4. Send recommended or customized cooking instructions directly to the appliance
5. Receive push notifications throughout the cooking process
Smart dishwashers allow consumers to download free specialty cycles through the Whirlpool® app or customize their own favorite cycles.*

**Plastic Items Cycle**
Provide gentle cleaning with lower temperatures.

**Canning & Brewing Items Cycle**
Higher water temperatures deliver the right clean for heavily soiled items like those used for brewing.

**DOWNLOAD & GO™ OPTION**

**More Smart Features**

**Remote Start**
When set to remote enable, consumers can use their smartphone or tablet to remotely turn on their dishwasher.*

**Amazon Dash Replenishment**
Automatically reorder dishwashing supplies by syncing your Whirlpool® app with an Amazon account. This feature estimates the amount of supplies remaining and targets the right time to order necessities so the consumer always has what they need.†

**CONNECTED SOLUTIONS**

**KEEP LAUNDRY ON SCHEDULE**

Reinvent the laundry routine with a washer and dryer in one appliance, with innovative features that help consumers do laundry in fewer steps.

Model WFC8090G features a slim 24” wide design, while model WFC9820H offers a full 27” width.

**SMART ALL-IN-ONE LAUNDRY**

Consumers can skip adding detergent to every wash and use the Whirlpool® app to monitor low laundry supply levels. Simply add detergent and fabric softener once, with washers that hold enough for 20 to 40 loads.

**LOAD & GO™ DISPENSER**

Consumers can skip adding detergent to every wash and use the Whirlpool® app to monitor low laundry supply levels. Simply add detergent and fabric softener once, with washers that hold enough for 20 to 40 loads.

**FILL ONCE EVERY 20 LOADS**

**Load & Go™ Plus Dispenser**

**FILL ONCE EVERY 40 LOADS**

**Load & Go™ XL Plus Dispenser**

**IT’S ALL IN THE FINISH**

**DISTINCT STYLES FOR EVERY CONSUMER**

### Fingerprint-Resistant Stainless Steel

This highly versatile, polished finish will brighten the kitchen with a sleek look. Consumers can pair this timeless finish with the Whirlpool handle or the Whirlpool contemporary handle.

### Fingerprint-Resistant Black Stainless Steel

This rich, matte black finish seamlessly fits in or boldly stands out. For consumers who prefer design continuity and a sophisticated twist on kitchen style, bladed knobs, curved handles and a smudge-resistant finish will elevate their kitchen.

### Fingerprint-Resistant Sunset Bronze

Consumers can add subtle warmth to their kitchen with the soft glow and subtle metallic undertones of this brushed satin finish. Contemporary handles and barrel knobs complement modern tableware and drawer pulls.
