START THE CONVERSATION

Do you like being able to check on your food without opening the oven and letting heat escape?

TOP FEATURES

1

EXTRA-LARGE OVEN WINDOW

See and savor. The Extra-Large Oven Window provides a wide view to let you check on food without having to open the oven door.

2

EASY-CLEAN GLASS DOOR

Easy-Clean Glass Door is smooth and flat so messes, spills and smudges just wipe away. Crumbs won't catch and splatters won't matter.

3

VERSATILE COOKTOP

Versatile Cooktop features multiple element options and provides up to 2,400 watts on the largest burner to help you cook more of your favorites at once.

DID YOU KNOW?

You deserve to put your feet up when you get home. That's why we've developed quality cooking appliances with familiar features that get the job done right, so you can get out of the kitchen and get back to relaxing.

HOW TO DEMONSTRATE

EXTRA-LARGE OVEN WINDOW

On the sales floor, point to the extra-large oven window and tell your customers: With this extra-large oven window, you can clearly see your food browning, rising, or bubbling — without opening the door.
