START THE CONVERSATION

When you reheat leftovers or cook quick snacks like popcorn or pizza would you prefer a microwave that does it automatically for you?

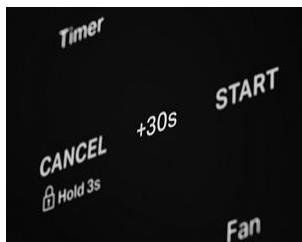

TOP FEATURES

1

QUICK START PRESETS

Enjoy easy shortcuts for Reheat, Popcorn, Melt, Defrost, Pizza, and Potato. Quick Start Presets deliver just the right amount of heat and time you need, without the guesswork.

2

ADD 0:30 SECONDS

Need an extra hit of heat? The Add 0:30 Seconds button is your one-tap shortcut to a perfectly warm meal.

3

MIDNIGHT INTERIOR

Keep your microwave looking sharp with Midnight Interior.

DID YOU KNOW?

The Amana over-the-range microwaves satisfy snack cravings and free up valuable counter space.

HOW TO DEMONSTRATE

QUICK START PRESETS

Open the microwave, place a food item inside, and pretend to set the preset. Explain exactly how the microwave takes the guesswork out of cooking
