

# JENNAIR® HOW TO SELL: JENNAIR 27" WALL OVENS

## MULTIMODE® TRUE CONVECTION

Steady heat generated by a 3,200W element is circulated by whirling metal blades, weaving around every rack. Wield your cooking prowess from marbled meats to succulent roasts.

*Note: Built-in Speed Oven does not feature Multimode True Convection*

## 7.8 FULL COLOR ULTRA WIDE LCD DISPLAY WITH CULINARY CENTER

Visually vibrant. This highly interactive, full-color LCD display allows you to navigate through settings and the algorithms of JennAir® Culinary Center recipes.

## SMART WALL OVEN

The JennAir® App empowers you to remotely control and monitor the oven, notifies when it's time to tend to your dish or you can select from chef-inspired recipes designed to provide you with effortlessly delicious results.<sup>1</sup>

## RISE™ DESIGN EXPRESSION

The RISE™ Design Expression draws the eye with a bold, professional-style design in luxurious mixed metals. Indulge in the details of a custom knurled handle texture, sleek hidden-until-lit controls, and a bold badge.

*Note: 27" Models are not available in NOIR™ design expression .*
