

## OBSIDIAN BLACK INTERIOR

Designed with the elegance of a bespoke jewelry box, the Obsidian interior uses a deep satin finish to showcase ingredients transforming storage into presentation.

## INTERNAL OR EXTERNAL ICE AND WATER

Delivers a sleek design while enabling easy access to chilled, filtered water and high-capacity ice through a minimalist interface designed to integrate seamlessly.

## TEMPERATURE CONTROLLED PANTRY DRAWER

Control the climate and organization of your food with a dedicated drawer that features four distinct preset settings for specific needs: Meat, Deli, Assorted, and Beverages.

## PULL OUT TRAY

A full-width, roll-out shelf located between the lowest shelf and the crisper drawers provides a staging area best for flat items, wide items and platters.

**ASK YOUR CUSTOMER:** When you're investing in a luxury appliance, do you want that premium aesthetic to stop at the door or should the interior feel just as sophisticated as the exterior?

The JennAir® **Obsidian interior** offers a sophisticated aesthetic that transforms your refrigerator into a stage. By absorbing light rather than reflecting it, Obsidian minimizes glare and provides a deep, dark contrast that makes the natural colors of your food pop, combining high-end gallery design
