How do you currently prep your foods in your refrigerator prior to cooking?

TOP FEATURES

1 UNDER-SHELF PREP ZONE

The Under-Shelf Prep Zone is ideal for storing food prep or leftovers, marinating, chilling desserts, making focaccia and more. This area utilizes space that is typically left empty beneath the refrigerator shelf. Two KitchenAid® pans are included and are oven- and dishwasher-safe; 42" & 48" refrigerators include one 9"x13"x2" pan and one 9"x13" baking sheet, so cooks can stay in the creative flow.

2 SLIDING STORAGE TRAY

This premium sliding storage tray has a wood-look finish that is moisture- and stain-resistant, and is versatile enough for serving platters, or simply organizing ingredients and keeping items at hand. When entertaining, the premium wood-look will impress guests with its form and function. Plus, the tray is fully removable for easy cleaning.

3 EXTENDFRESH™ PLUS TEMPERATURE MANAGEMENT SYSTEM

helps keep ingredients fresh using sensors that continuously adjust temperatures in the refrigerator and freezer by monitoring the airflow between them.
