START THE CONVERSATION

Are you looking for a seamless design that integrates your dishwasher even more with your countertop and cabinetry?

TOP FEATURES

1

FLUSH DESIGN

Allows dishwasher to fit evenly with countertops and cabinetry to help give the kitchen a seamless look and feel.

2

FREEFLEX™ FIT THIRD LEVEL RACK

Deep angled design fits 5" glasses, mugs and bowls, allowing 30% more capacity.* It features designated wash jets to clean items in the rack and a removable utensil tray with specialized coating that helps repel water for fast drying.

3

DOOR-OPEN DRY SYSTEM

Automatically opens after the cycle to allow hot air out and fresh air to circulate within, making it KitchenAid brand's most energy efficient dry system*.
