DID YOU KNOW?

If you're trying to determine which size microwave will best fit your kitchen, consider where you are going to install the appliance and how you are going to use it. Kitchens with limited cabinet or wall space may benefit from 24" models like this KitchenAid® 24" Built In Microwave Oven. If you have ample space and plan to use your microwave...

HOW TO DEMONSTRATE

1000 WATT COOKING

Speak to the Built-In Microwave design and how it integrates into your customers kitchen by sitting within a cabinet. Don't forget to mention that the built-in microwave oven is great to place near a wall oven, creating an easy way to move dishes from one to the other.
