1.1 Cu. Ft. Over-the-Range
Flush** Built-In Microwave

SKIP THE OVEN

This flush[†] mount microwave-toaster oven combo that lets you bake, broil and toast. Crisp up leftovers, cook frozen meals or make entire dinners in this quick-cooking, hard-working smart microwave that maximizes interior space with a turntable-free design.

*When installed in standard cabinet depth 12-3/4".

**Appliance must be connected. WiFi & App Required. Features subject to change. Details and privacy info at maytag.com/connect.

MMM8030PZ

WHAT DOES BUILT-IN DESIGN MEAN?

The built-in design maximizes space and helps create an open, airy kitchen. This microwave fits flush* with both the front and bottom of standard depth cabinets, giving your kitchen a sleek, finished look.

THE BENEFIT OF A TURNTABLE-FREE DESIGN

Skip the cramming and crowding—a turntable-free design allows corner-to-corner cooking so you can prepare multiple dishes at once for more cooking and quick cleanup.

QUALIFYING QUESTIONS

1

How do you currently toast your favorite foods?

2

Are you looking for additional space to bake your favorite dessert or dinner?

3

Do you usually multitask when cooking?

*When installed in standard cabinet depth 12-3/4".

FEATURES

MMM8030PZ

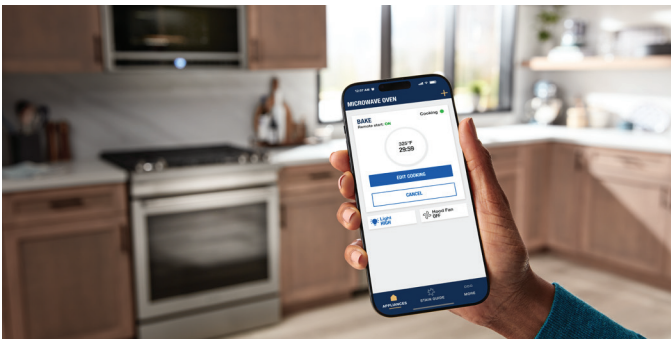

TOAST

Toast up your favorites just the way you like them with toast settings from Light to Dark.

BAKE

Bake everything from dinner to dessert in a microwave that works hard so you don't have to.

MAYTAG™ APP

Stay in control and efficiently manage cooking from anywhere with access to notifications, voice control and cooking cycles right on your device.*

BROIL

Quickly broil in your microwave so you can brown or char without having to use the oven.

OPTIMIZED CAPACITY

Optimized capacity means cooking space for large meals. Now you can count on your microwave to fit your favorite 13" x 9" casserole dish.

EASY TO CLEAN

Messes are no match for this microwave with a turntable-free design that helps cleaning get done in fewer steps. Speed through cleanup with less effort thanks to the 13-minute steam clean cycle, stainless steel cavity, and dishwasher-safe grease filters.

DEMOS

MMM8030PZ

SMART APPLIANCE*

Tell Your customers that this microwave can be controlled through the Maytag™ App. Once set in remote start function, the microwave will allow them to remotely monitor the microwave and receive notifications on status updates.

TOAST

Point to the Toast function, then open the door and place the Toast pan in the rack position 1. Speak to the different options you can use this mode for: sliced bread, bagels, or manually toast things like nuggets, fries or mozzarella sticks. Tell them the toast function allows them to clear counter space with a microwave that can now toast.

BAKE

Point to the Bake function, then open the door and place the Toast pan in the rack position 1. Tell your customers this function allows cooking food as in traditional ovens. Therefore, it is useful to cook pastries, bakeries, meat, poultry, and fishes.

INCLUDED ACCESSORIES
