START THE CONVERSATION

Do you find yourself constantly battling pet hair on your clothes?

TOP FEATURES

1

PET PRO OPTION

The Pet Pro Option unleashes additional water and a deep rinse with help from the Pet Pro Filter, lifting and removing pet hair from clothes for a clean you can see.*

*Results vary by load size and pet hair type

2

EXTRA POWER

The Extra Power button boosts stain fighting on any wash cycle with an intense pre-wash and extra agitation so you can walk away while stains wash away.

3

SMART APPLIANCE

Stay in control and efficiently manage laundry from anywhere.* Remotely start or stop your appliance and get end of cycle notifications so no load is left behind. Get step-by-step pretreating instructions in the Stain Guide to take on everyday tough stains and maximize the power of your Maytag® appliances.

*WiFi & App Required. Features subject to change. Details and privacy info at maytag.com/connect. Appliance must be set to remote enable.

DID YOU KNOW?

Two-thirds of US homes have a Pet. The pet industry is booming at over \$150 billion.*
*American Pet Products Association

HOW TO DEMONSTRATE

PET PRO OPTION

Press the Pet Pro Option on the washer control panel, then open the washer door to reveal the built-in Pet Pro Filter. Explain that the option uses additional water, increased tumbling and a deep rinse to effectively lift and remove pet hair.
