START THE CONVERSATION

After a shopping trip ask what items need to chill quickly and would benefit from dropping the refrigerator temperature to the coldest level for 24 hours.

TOP FEATURES

1

MAX COOL SETTING

Get groceries cold fast with the touch of a button by dropping the refrigerator temp to the coldest level for 24 hours.

2

ADVANCED DEFROST

Advanced Defrost automatically monitors the freezer and only runs the cycle when needed.

3

INTERIOR WATER DISPENSER

Designed to give you easy access to ice and chilled water, the internal ice and water dispenser works even when using tall glasses and pitchers.

DID YOU KNOW?

The ability to quickly cool down groceries with the touch of a button is a major convenience for consumers. It allows them to get their groceries home and put them away without having to worry about them spoiling

HOW TO DEMONSTRATE

MAX COOL SETTING

Point to the Max Cool button inside the refrigerator and ask them to think about items they need to get to the coldest levels quickly.
