## START THE CONVERSATION

Have you ever had a secondary refrigerator or freezer that struggled to keep food cold in the summer?

## TOP FEATURES

1

### GARAGE MODE

Tackle garage temps from 38° to 110°F with Garage Mode. In summer or winter, your garage finally has cold storage that fights back.

2

### POWERCOLD® FEATURE

The PowerCold® Feature chills the refrigerator down quickly to help keep everything cool, even if the whole family's been browsing with the door open.

3

### HUMIDITY CONTROLLED FRESHLOCK™ XL CRISPER

Load up the FreshLock™ XL Crisper for maximum fresh food storage. Built with precise humidity control to help keep everything fresh, from produce to lunch items.

**DID YOU KNOW?** Many people need a second refrigerator to store extra food but don't have space in their house.

## HOW TO DEMONSTRATE

### GARAGE MODE

Explain how the wide range of temperatures that this refrigerator can operate in allow for it to be placed in spaces like garages that aren't kept at the same temperature as the house.
