## START THE CONVERSATION

How do you tackle tough stains on delicate garments?

## TOP FEATURES

1

### EXTRA POWER

Extra Power boosts stain fighting on any wash cycle.

2

### BUILT-IN WATER FAUCET

Rinses, spot treats or soaks clothes with a cold water stream right in the washer.

3

### POWER™ AGITATOR

Uses 360-degree wash action to break up messes + features a fabric softener dispenser.

## DID YOU KNOW?

Extra Power starts with a high detergent concentration cold-water soak to tackle organic, protein-based stains like blood or coffee. Throughout the cycle, Extra Power adds more agitation time and action along with warmer water to power through tough, oil-based stains like grease and make-up. The increased water temperature and wash...

## HOW TO DEMONSTRATE

### EXTRA POWER

Explore the 5-knob console of this washer and highlight the Extra Power Knob. Let your customers know that Extra Power can be added to any cycle to boost stain-fighting performance.
