START THE CONVERSATION

How often are you removing stains?

TOP FEATURES

1

EXTRA POWER BUTTON

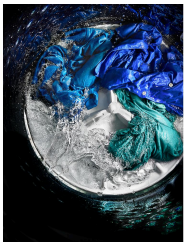

The Extra Power button boosts stain-fighting performance.

2

SMART CAPABLE APPLIANCE

Manage laundry from anywhere with optional smart features.

3

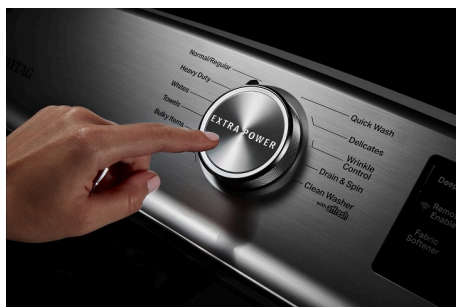

POWER™ IMPELLER

The Power™ impeller attacks stains with a thorough, intense clean.

DID YOU KNOW?

If a stain doesn't come out the first time, avoid moving it to the dryer since dry heat can bake a stain into the fabric. Instead, launder according to the fabric care instructions, using the warmest setting safe for the fabric. (1).
(1)American Cleaning Institute 2019

HOW TO DEMONSTRATE

EXTRA POWER BUTTON

Press the Extra Power button and explain that using the Extra Power button will add a ten minute prewash using a dual-temperature wash to get them the Most Powerful Cleaning in its Class driven by the Heavy Duty cycle. Go to LearnWhirlpool.com, click on "Demos" and play the "Stain Fighter" demo to better understand which stains need hot water and which need cold.
