TOP FEATURES

1

57 DBA

Keep your kitchen quiet during cleanup with a dishwasher sound level of just 57 dBA.

2

HEAVY CYCLE

A Heavy Cycle provides extra cycle time and takes care of heavily soiled messes and hard-to-clean dishes.

3

BOOST CYCLE

Skip scrubbing and pre-rinsing with the Boost Cycle. This cycle uses more water, time and heat than the Normal Cycle and takes less time than the Heavy Cycle so you can target tough messes that need a little extra effort
