DID YOU KNOW? Cook only 1 package of frozen food at a time when using No Preheat Mode

HOW TO DEMONSTRATE

NO PREHEAT MODE

Point to the No Preheat function on the range, tell your customers they will set the temperature as recommended on the food packaging. The cook time that appears in the display is the estimated required cook time as calculated by the oven control. It may be different than the time entered. A beep will alert you to check the food's doneness with at least 2 minutes remaining on the timer.
