

Effective ventilation with styles to match any kitchen

TOP FEATURES

3-SPEED, 400 CFM MOTOR CLASS*

Help remove smoke, odor and moisture with 400 CFM Motor Class hood venting and three fan speeds on select models to provide the right amount of ventilation for every meal.

GREASE FILTERS

Help trap unwanted grease and remove odors with a filter that unclatches from the hood so it can be easily washed with soap and water at the sink. Select models feature dishwasher-safe filters that can be simply tossed in the dishwasher for quick cleanup.
