## START THE CONVERSATION

What items do you store in your current refrigerator that might topple over if not level?

## TOP FEATURES

1

### FRAMELESS GLASS SHELVES

Store more items on each shelf with wall-to-wall frameless glass shelves, which offer greater storage flexibility.

2

### FRESHFLOW™ AIR FILTER

The refrigerator circulates cold air through the air filter to help reduce odor.

3

### HIDDEN HINGES

Get a seamless look with hidden hinges.

## DID YOU KNOW?

Customers want things to be "easy to clean and disinfect." In fact, this is one of the top 5 most valued aspects of their kitchen.(1) Frameless glass shelves not only hold items from wall to wall, they contain messes and are easy to clean.

## HOW TO DEMONSTRATE

### FRAMELESS GLASS SHELVES

Rest props like a soda can or a ketchup bottle along the edge of the frameless glass shelf, and on the plastic frame of a competitive glass shelf. Show customers how the items rest securely on the Whirlpool brand shelves while they sit unevenly on the unlevel surface of the framed shelf.
