START THE CONVERSATION

What tall items do you find difficult to store?

TOP FEATURES

1

FLEXI-SLIDE™ BIN

Quickly and easily move side-to-side for convenient storage options, so you can adjust to make space for tall items when needed.

2

EZ CONNECT ICEMAKER COMPATIBLE

Easily add ice with the optional EZ Connect icemaker kit (sold separately).

3

ADJUSTABLE GLASS SHELVES

Store food where you want with Adjustable Glass Shelves.

DID YOU KNOW?

Consumers crave customizable storage solutions in their refrigerators to efficiently organize their food and easily adapt to their ever-changing needs.

HOW TO DEMONSTRATE

FLEXI-SLIDE™ BIN

Ask the customer to slide the Flexi-Slide bin back and forth and discuss what items they would put on the shelf.
