What small items tend to get buried at the bottom of your freezer?

TOP FEATURES

1

2 STORAGE BASKETS

Enjoy flexible organization with two modular Freezer Baskets that can glide side to side.

2

STORAGE DIVIDER

Don't sweat the small stuff or the cleanup. Use the dual-purpose Storage Divider to keep small items in sight and within reach, or place it below food storage as a drip tray to cut down on cleaning time.

3

COUNTERBALANCE LID

Go hands-free so you can restock your fridge carefree with the Counterbalanced Lid. Designed to stay open and securely in place, it leaves both hands available, so you can grab and go without a second thought.
