

# KMLS311H

## LOW PROFILE MICROWAVE HOOD COMBINATION

Dimensions: 10-1/4" H x 30" W x 18" D

**OPENS UP THE KITCHEN.  
HELPS CLEAR THE AIR.**

### START THE CONVERSATION

Do you currently have an under-cabinet hood and countertop microwave, or wish your over-the-range microwave took up less space?

What recipes do you enjoy making that generate smoke, steam or odors?

### TOP FEATURES

#### FITS WHERE AN UNDER-CABINET HOOD FITS\*

Revolutionary low profile design combines a microwave and hood into the under-cabinet space normally occupied by a range hood alone and eliminates the need for a countertop microwave.

#### POWERFUL VENTILATION FILTERS SMOKE AND STEAM

Powerful 500 CFM Motor Class\*\* encourages cooks to experiment by helping to clear the smoke, steam and grease of high-temperature cooking techniques such as stir-frying in a wok.

### KMLS311H

Shown in Stainless Steel with PrintShield™ Finish; also available in White, Black and Black Stainless.

**KitchenAid®**

\*Based on 24" minimum install for under-cabinet hoods and Low Profile Microwave Hood.  
\*\*Performance varies based on installation. Resources available at HVI.org.

## DID YOU KNOW?

Cooking can deposit grease in the home over time, causing potential long-term damage to walls and cabinetry. This low profile microwave captures smoke, grease and odors all across the cooktop, with two quiet yet powerful fans that provide high-performance ventilation.

## DEMO

Show & sell the two Stainless Steel baffles on the underside of the microwave. The baffles and LED lights are positioned to line up with the cooktop elements or burners below, and add to the professional look of the KitchenAid® design. Each baffle is dishwasher safe and easily removed for cleaning by simply pulling on a chrome clip.
