Dimensions: h: 43" w: 29" d: 26"

Colors: White

WED4985E

START THE CONVERSATION

What items do you not dry in the dryer to help ensure they last longer?

TOP FEATURES

1

AUTODRY™ DRYING SYSTEM

Helps prevent overdrying by stopping the cycle when clothes are dry.

2

WRINKLE SHIELD™ OPTION

Intermittent tumbling after the dryer cycle ends helps keep wrinkles from setting into clean clothes.

3

5.9 CU. FT. CAPACITY

DID YOU KNOW?

Customers can enjoy the AutoDry™ system by pairing this dryer with a matching agitator or impeller washer.

HOW TO DEMONSTRATE

AutoDry™ drying system

Point out the moisture sensing strips along the back wall of the interior of the dryer. Explain to customers that clothes brush up against the metal strips, detecting if there is still moisture in them. Once the dryer determines enough moisture has been removed, the cycle stops.
