START THE CONVERSATION

Where is your current refrigerator located and does it sometimes get in the way?

TOP FEATURES

1

COUNTER DEPTH

Add additional kitchen space with styling that fits virtually flush with the counter-top.

2

EXTENDFRESH™ TEMPERATURE MANAGEMENT SYSTEM

The ExtendFresh™ Temperature Management System separately monitors the temperatures in the refrigerator and freezer to help ensure fresh fruit juices don't become frozen, and prawns avoid... freezer burn.

3

INTERIOR WATER DISPENSER

Customers can easily access fresh filtered water inside the refrigerator so the exterior maintains its sleek look.

DID YOU KNOW?

In most kitchens, the refrigerator is virtually impossible to hide. However, refrigerator design has come a long way and customers who are replacing a 10-year old refrigerator will find they have more options to consider.

HOW TO DEMONSTRATE

Counter Depth

Use a tape measure to show how much space (5-6") you gain when moving from an standard depth to a counter depth refrigerator.

ADDITIONAL PRODUCTS TO CONSIDER
