Colors:  Black

Black Stainless Steel with PrintShield™ Finish

Panel Ready  Stainless Steel  White

KRFC302E

## START THE CONVERSATION

Where is your current refrigerator located and does it sometimes get in the way?

## TOP FEATURES

1

### COUNTER DEPTH

Add additional kitchen space with styling that fits virtually flush with the counter-top.

2

### EXTENDFRESH™ TEMPERATURE MANAGEMENT SYSTEM

The ExtendFresh™ Temperature Management System separately monitors the temperatures in the refrigerator and freezer to help ensure fresh fruit juices don't become frozen, and prawns avoid... freezer burn.

3

### INTERIOR WATER DISPENSER

Customers can easily access fresh filtered water inside the refrigerator so the exterior maintains its sleek look.

## DID YOU KNOW?

In most kitchens, the refrigerator is virtually impossible to hide. However, refrigerator design has come a long way and customers who are replacing a 10-year old refrigerator will find they have more options to consider.

## HOW TO DEMONSTRATE

### Counter Depth

Use a tape measure to show how much space (5-6") you gain when moving from an standard depth to a counter depth refrigerator.

## ADDITIONAL PRODUCTS TO CONSIDER

Be sure to tune into your customers' shipping priorities to bundle products across categories
