START THE CONVERSATION

How do you currently toast your favorite foods?

TOP FEATURES

1

TOAST

Toast up your favorites with toast settings from Light to Dark

2

BAKE

Bake everything from dinner to dessert

3

SMART APPLIANCE

Manage cooking from anywhere with smart features

DID YOU KNOW?

Reduce your Kitchen's appliance footprint by combining your microwave and toaster oven into one appliance! This is especially appealing if space is at a premium

HOW TO DEMONSTRATE

Toast

On the microwave, point to the Toast function, then open the door and place the Toast pan in the rack position 1. Speak to the different options you can use this mode for: sliced bread, bagels, frozen waffles, or manually toast things like chicken nuggets, french fried or a frozen stick. Tell them, the toast function allows...
